--

The bill would amend Government Code to require the Legislative Budget Board (LBB) to perform a strategic fiscal review for all agencies currently the subject of Sunset Advisory Commission review under Government Code, Chapter 325. The bill would require the LBB to submit a report of the findings of the strategic fiscal review performed under the requirements of the bill by September 1st of even-numbered years to the Governor, Lieutenant Governor, Speaker of the House of Representatives, Senate Finance Committee, and the House Appropriations Committee.

It is assumed that implementing the provisions of the bill could be accomplished utilizing existing resources.
