

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

March 4, 2019

TO: Honorable Kelly Hancock, Chair, Senate Committee on Business & Commerce

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: SB401 by Hancock (Relating to legislative oversight of deferred maintenance projects.),
As Introduced

No significant fiscal implication to the State is anticipated.

The bill would amend Government Code to establish a Joint Oversight Committee on Government Facilities to review deferred maintenance plans and receive implementation updates. The bill would require the Committee to submit a report biannually to the legislature. The Committee would be abolished and the statute governing the Committee would expire on September 1, 2025.

If the Texas Legislative Council were required to fund and provide staff support for the committee, it indicates that it could absorb the costs associated with the bill within its current resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
