LEGISLATIVE BUDGET BOARD Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

March 17, 2019

TO: Honorable Eddie Lucio, Jr., Chair, Senate Committee on Intergovernmental Relations

- **FROM:** John McGeady, Assistant Director Sarah Keyton, Assistant Director Legislative Budget Board
- **IN RE: SB428** by Lucio (Relating to a study of using a single intake form for state and federal disaster assistance.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would require the Health and Human Services Commission and the Texas Division of Emergency Management conduct a study to determine the feasibility of developing a single intake form for multiple state and federal disaster assistance programs and an automated intake system. The agencies would also work with the Federal Emergency Management Agency to determine whether a single intake form would be acceptable to other appropriate state and federal agencies. The commission and division would submit a written report of their findings to the legislature not later than September 1, 2020.

It is assumed that the provisions of the bill could be absorbed using existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
