

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

March 16, 2019

TO: Honorable Eddie Lucio, Jr., Chair, Senate Committee on Intergovernmental Relations

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: SB674 by Campbell (Relating to authorizing an exemption for open-enrollment charter schools from certain municipal drainage requirements.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Local Government Code to add a permitted exemption for open-enrollment charter schools from certain municipal drainage requirements and to require that any exemption be granted both to these schools as well as school districts.

According to the Texas Education Agency, the bill would have no fiscal impact on the State.

Local Government Impact

According to the Texas Municipal League, no significant fiscal implication to units of local government is anticipated.

According to the Texas Education Agency, the bill would represent a savings for charter schools that own their own property, as commercial fees related to municipal drainage vary but can cost \$40 an acre impervious area (43,560 square feet). However, this would also represent a loss to the city which collected the fee.
