FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 19, 2019

TO: Honorable Larry Taylor, Chair, Senate Committee on Education

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: **SB869** by Zaffirini (Relating to guidelines for policies of school districts and open-enrollment charter schools for the care of certain students at risk for anaphylaxis.), **As Introduced**

No significant fiscal implication to the State is anticipated.

It is assumed that the provisions of the bill relating to guidelines for policies of school districts and open-enrollment charter schools for the care of certain students at risk for anaphylaxis could be absorbed using existing resources.

Local Government Impact

The Texas Education Agency (TEA) assumes school districts and open-enrollment charter schools would incur costs for printing and postage to provide students and their parents or guardians with guidelines for caring for children at-risk for anaphylaxis, as required by the bill.
