**FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION**

**May 25, 2019**

**TO:** Honorable Dan Patrick, Lieutenant Governor, Senate  
Honorable Dennis Bonnen, Speaker of the House, House of Representatives

**FROM:** John McGeady, Assistant Director    Sarah Keyton, Assistant Director  
Legislative Budget Board

**IN RE:** SB911 by Hinojosa (Relating to the supervision of water districts by the Texas Commission on Environmental Quality.), **Conference Committee Report**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Water Code to allow the Texas Commission on Environmental Quality Executive Director to request additional information after reviewing the audit report of a water district and would allow this same position to review and investigate a district's financial records and to conduct an on-site audit of a district's financial information. According to the State Office of Administrative Hearings and TCEQ, duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

**Local Government Impact**

The Northeast Texas Municipal Water District assumes that the bill could have a significant financial impact on a water district in the event an audit reveals deficiencies that the state agency requires to be addressed, however the extent of the fiscal impact on water districts cannot be determined at this time.
