IN RE: SB927 by Hall (Relating to exhibits presented at the Alamo complex.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would amend the Natural Resources Code to require the General Land Office (GLO) to ensure that any exhibition presented in certain areas of the Alamo complex has as its primary theme the 1836 battle of the Alamo. GLO would be required to display exhibits highlighting other subjects at different areas of the Alamo complex. Based on the analysis of GLO, duties and responsibilities associated with implementing the provisions of the bill could be accomplished using existing resources.
