

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 22, 2019

TO: Honorable Charles Perry, Chair, Senate Committee on Water & Rural Affairs

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: **SB978** by Hughes (Relating to a study of the feasibility of converting quarries and surface mine pits for use as water storage reservoirs to enhance this state's available water supply.), **As Introduced**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would require the legislature to establish a joint interim committee to study the feasibility and desirability of converting quarries and surface mine pits for use as water storage reservoirs to enhance the state's available water supply. The committee would be required to report to the Governor and legislature its findings and any recommendations no later than December 1, 2020. The committee would be abolished and the statute governing the Committee would expire on January 12, 2021.

This analysis assumes that the duties and responsibilities of the bill could be accomplished utilizing existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
