FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

May 13, 2019

TO: Honorable Dan Huberty, Chair, House Committee on Public Education

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: SB1412 by Perry (Relating to the creation of accelerated campus excellence turnaround plans for low-performing schools and the authority of the commissioner of education.),
As Engrossed

No significant fiscal implication to the State is anticipated.

It is assumed that the provisions of the bill relating to accelerated campus excellence turnaround plans could be absorbed using existing resources.

Local Government Impact

The bill would give school districts that are subject to campus turnaround plan requirements the authority to submit an alternative type of campus turnaround plan called an accelerated excellence campus turnaround plan. Under this alternative plan a district could appoint high achieving leadership and teachers to a campus. The plan would also incorporate incentive pay for teachers and require assistance by a third-party provider that is approved by the commissioner in the development and implementation of the district's plan. There could be costs associated with hiring a third party to help with the administration of the plan. In general the alternative plan would be optional, with the exception of one campus selected by the Commissioner for the 2019-2020 school year to implement this type of plan.
