

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

April 9, 2019

TO: Honorable Eddie Lucio, Jr., Chair, Senate Committee on Intergovernmental Relations

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: SB2022 by Miles (Relating to the creation and operations of a health care provider participation program by the Harris County Hospital District.), **Committee Report 1st House, Substituted**

| |
|--|
| <p>No significant fiscal implication to the State is anticipated.</p> |
|--|

The bill amends the Health and Safety Code to add Chapter 299, which authorizes the Harris County Hospital District to create a health care provider participation program. A health care provider participation program would allow the collection of mandatory payments from nonpublic hospitals. These payments are deposited into a local provider participation fund to fund intergovernmental transfers and for uniform rate enhancement payments for nonpublic hospitals in the Medicaid managed care service area. Intergovernmental transfers are used by the Health and Human Services Commission (HHSC) as the nonfederal share to draw down uncompensated care payments.

The nonfederal share of Texas Medicaid uncompensated care payments is provided largely by local public funds provided to the Health and Human Services Commission by Intergovernmental transfer. The bill's provisions do not contain any implications for state General Revenue funds. HHSC reports that there would be no significant fiscal impact to the agency resulting from implementation of the bill. It is assumed that HHSC would absorb any administrative costs using existing resources.

The bill would take effect on September 1, 2019, or immediately with a vote of two-thirds of all members in both houses.

Local Government Impact

Because the bill would not have statewide impact on units of local government of the same type or class, no comment from this office is required by the rules of the Senate as to its probable fiscal implication on units of local government.
