

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION

May 7, 2019

TO: Honorable Rafael Anchia, Chair, House Committee on International Relations & Economic Development

FROM: John McGeady, Assistant Director Sarah Keyton, Assistant Director
Legislative Budget Board

IN RE: SB2202 by Fallon (Relating to the administration of the Jobs and Education for Texans (JET) Grant Program.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would amend the Education Code relating to the administration of the Jobs and Education for Texans (JET) Grant Program. The bill would allow local manufacturing facilities to become an eligible recipient of JET grant funds if there is no public junior college, public technical institute, or public state college located in close geographic proximity to an independent school district in a rural area. This analysis assumes that the allowance of grants to local manufacturing facilities would have a minimal effect on the overall level of awards. The bill would also require a biennial report on results and outcomes of JET grants awarded.

Based on the analysis of the Texas Workforce Commission, it is assumed that the duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

The bill would take effect on September 1, 2019.

Local Government Impact

No fiscal implication to units of local government is anticipated.
