

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 86TH LEGISLATIVE REGULAR SESSION**

**April 9, 2019**

**TO:** Honorable Eddie Lucio, Jr., Chair, Senate Committee on Intergovernmental Relations

**FROM:** John McGeady, Assistant Director    Sarah Keyton, Assistant Director  
Legislative Budget Board

**IN RE:** **SB2448** by Perry (Relating to the creation and operations of a health care provider participation program by the Lubbock County Hospital District of Lubbock County, Texas.), **Committee Report 1st House, Substituted**

<p><b>No significant fiscal implication to the State is anticipated.</b></p>
--

The bill amends the Health and Safety Code to add Chapter 298C, which authorizes the Lubbock County Hospital District to create a health care provider participation program. A health care provider participation program would allow the collection of mandatory payments from nonpublic hospitals. These payments are deposited into a local provider participation fund to fund intergovernmental transfers and uniform rate enhancement payments for nonpublic hospitals in the Medicaid managed care service area in which the district is located. Intergovernmental transfers are used by the Health and Human Services Commission (HHSC) as the nonfederal share to draw down Medicaid supplemental payments.

The nonfederal share of Texas Medicaid supplemental payments is provided largely by local public funds provided to HHSC by Intergovernmental transfer. The bill's provisions do not contain any implications for state General Revenue funds. HHSC reports that there would be no significant fiscal impact to the agency resulting from implementation of the bill. It is assumed that HHSC would absorb any administrative costs using existing resources.

The bill would take effect on September 1, 2019, or immediately with a vote of two-thirds of all members in both houses.

**Local Government Impact**

Because the bill would not have statewide impact on units of local government of the same type or class, no comment from this office is required by the rules of the Senate as to its probable fiscal implication on units of local government.
