Subject: NO GUN CONTROL
Date: Thursday, August 20, 2020 1:54:18 PM

from william cuthbertson [REDACTED]

If gun control is implemented in Texas, then this state would end up like the UK and Australia. Law abiding citizens would be at the mercy of armed "bad guys". I am retired law enforcement and know what I'm talking about. Sometimes just the good guys having a gun can deter a bad situation. Please stop any anti-gun legislation from becoming law in Texas!
