[REDACTED] AUSTIN TX [REDACTED]  
[REDACTED]

The 2020 Riots.

Organized Mass violence.

Nationwide political terrorism by hard left militant extremists;  
coordinated in 20 of the largest democrat controlled cities, including  
Dallas, Houston, Austin, and even San Antonio.

Weeks and in some places months of mob rule lawlessness, of looting, of  
burning, of mayhem, of getting people seriously hurt, critically  
wounded, and even killed.

Mob rule is a dangerous and deadly menace to public safety.

In Austin Texas, we saw live streamed video of the Anti Fa and BLM  
marxist factions mobbing in and attacking our state house, assaulting  
the state police on guard duty there, attempting to snatch their  
sidearms, vandalizing the building, then being repelled by force.

We saw violent mobs looting downtown, attacking city police and state  
police at city hall, vandalizing the Austin police department  
headquarters, mobbing IH35, even torching a car under the 7th street  
IH35 bridge.

We saw the Mike Ramos Brigade loot the east side Target store; and three  
Austin area gun stores were broken into, because you can't realize the  
glorious communist Peaceful Protest revolution without stealing lots of  
guns to use.

Then we saw Peaceful Protest rioters mobbing the intersection of 4th and  
Congress, getting one of themselves killed assaulting a ride share driver.

The organized Mass Violence criminal activity has been weaponized by  
Austin democrats to extort "Defund The Police", and the same thing is  
coming soon in San Antonio,

The Mask has now fallen away entirely, revealing democrat criminal  
lawlessness and corruption plainly for all to see.

Last legislative session democrats in the Texas house and senate  
repeatedly insisted that "white supremacy" was The Problem, playing that  
ruse to try to demand our bill of individual rights be cancelled.

When that ruse didn't work out, in 2020 now the answer is to escalate,  
to mobilize revolutionary communist street thugs, Anti Fa, BLM, and the  
Mike Ramos Brigade --formerly the Austin Red Guards-- to push to  
legitimize mob rule, to cancel public safety, to farm MORE Mass Violence  
for the sake of violence.

That is entirely unacceptable. Texas is better than that.

But the upside is that we have now clearly identified once and for all

what The Problem really is regarding Mass Violence, and Public Safety;  
therefore,

No More Gun Control Disarmament.

Thanks.
