Dennis Peck / 72-year Resident of Texas / Member of TSRA and NRA

As a law-abiding citizen and gun owner, I am opposed to any restrictions the State may want to place on my ability to own, purchase and use firearms. I am an avid hunter, I purchase my hunting license each year, and I enjoy shooting at the range.

I am certified for Conceal Carry permit and do not want my right to carry to be infringed upon by the Legislature.

I am opposed to **any and all** attempts to restrict my 2nd Amendment rights.
