Legal Notices

CITATION BY PUBLICATION

NOTICE TO DEFENDANT: You have been sued. You may employ an attorney. If you or your attorney does not file a written answer with the clerk who issued this citation by 10:00 a.m. on the Monday next following the expiration of forty-two days after the date of issuance of this citation and petition, a default judgment may be taken against you.

TO: The Unknown Heirs at Law of Steven W. Palmore, Deceased

You are hereby commanded to appear by filing a written answer to the Plaintiff's Original Petition at or before ten o'clock a.m. on the Monday after the expiration of 42 days after the date of issuance of this citation, before the Honorable 397th District Court of Grayson County, Texas at the Justice Center, 10:00 a.m., Monday, of said County in Sherman, Texas on this the 23rd day of January, 2019 in this case, numbered CV-19-0108 on the docket of said court, and styled:

Independent Bank, Collinsville Branch VS Estate of Steven W. Palmore, Deceased, Woodford Palmore, Jeffrey Palmore, Stacy

Legal Notices

This suit is brought in order to rescind the Vendor's Lien retained in that one certain Warranty Deed with Vendor's Lien dated April 19, 2005, executed by Keith R. Meyer and Cathy A. Meyer, husband and wife, as Grantors, in favor of Steven W. Palmore, a single man, as Grantee, of record in Volume 3844, Page 617, Official Public Records of Grayson County, Texas.

ISSUED AND GIVEN UNDER MY HAND AND SEAL OF SAID COURT at Sherman, Texas, on this the 24th day of January, 2019.

KELLY ASHMORE,
DISTRICT CLERK
GRAYSON COUNTY, TEXAS

Shannon Helms
DEPUTY

Notice of Drinking Water Treatment Technique Violation(s)

CITY OF CROWELL PWS 0780001 has violated the treatment technique requirements set by Texas Commission on Environmental Quality (TCEQ) in Title 30, Texas Administrative Code (30 TAC), Section 290, Subchapter F. Public water systems are required to properly disinfect water before distribution, maintain acceptable residuals within the distribution system, monitor the disinfectant residual at various locations throughout the distribution system, and report the results of that monitoring to the TCEQ on a quarterly basis.

Inadequately treated water may contain disease-causing organisms. These organisms include bacteria, viruses, and parasites which can cause symptoms such as nausea, cramps, diarrhea, and associated headaches. During JUNE, JULY, AUGUST, AND SEPTEMBER 2018, sufficient levels of chlorine residual were not met in more than five percent (5%) of monthly samples.

The following actions are being taken to address this issue:

The City of Crowell does not add chlorine to the water; Greenbelt Water Authority in Clarendon, TX is the one who controls what and how much is added. We have been in contract with Greenbelt and they have turned up the chlorine for our water. There is no need to boil the water.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

If you have questions regarding this matter, you may contact Crowell City Hall at 940-684-1722.
