**HOUSE OF REPRESENTATIVES
NOTICE OF PUBLIC HEARING**

COMMITTEE: Transportation
TIME & DATE: 11:00 AM, Wednesday, April 29, 2020
PLACE: E2.030
CHAIR: Rep. Terry Canales

**** MEETING CANCELED ****

The House Transportation Committee hearing scheduled for Wednesday, April 29, 2020 is postponed until further notice. Out of concern for public health due to Coronavirus/COVID-19 and to ensure that the public has the full opportunity to participate, the Committee will meet at a later date.

###

The committee will meet to hear invited testimony on the following interim charge:

1. Monitor the agencies and programs under the Committee's jurisdiction and oversee the implementation of relevant legislation passed by the 86th Legislature. Conduct active oversight of all associated rulemaking and other governmental actions taken to ensure intended legislative outcome of all legislation, including the following:

- SB 282 and SB 962, which relate to the funding for the State Highway Fund. Study the current mix of user fee-based funding for the state highway system, including registration fees, tolls, and fuel tax, and determine if current funding generated is sufficient to maintain cost demands. Examine whether current legislative appropriations, including projections for Proposition 1 (severance tax) and Proposition 7 (sales tax) funds, are keeping pace with Texas' highway funding needs to accommodate population and economic development growth. Make recommendations for additional methods of funding or innovative tools that the state could utilize to deliver road infrastructure projects.

Please contact committee staff at (512) 463-0818 if you have any questions. The final agenda will be made available at the hearing.
