12 review must include an evaluation of the pre-referral determination  
13 of available resources to support each case being reviewed as  
14 required by Subsection C of this section and any subsequent  
15 determination of those resources made by the Commissioner as  
16 authorized under Subsection E of this section. The Attorney  
17 General may report any concerns the Attorney General has in

20 powers conferred by law upon district or county attorneys,  
21 including the power to appear before grand juries and to  
22 interrogate witnesses before such grand juries.

23 B. Subject to Subsection E of this section, the Board may  
24 provide assistance to a county or district attorney who requests  
25 assistance in a criminal prosecution involving an alleged violation  
26 of this Act that is referred by the Board to the attorney under  
27 Subsection A of this section.

1           C. Before referring a case to a county or district attorney  
2 for prosecution as required by Subsection A of this section, the  
3 Commissioner shall make a determination of:

4                   (1) the potential resources of the Board, including  
5 the number and types of Board employees, that would be needed to  
6 assist in the prosecution of the case; and

7                   (2) the availability of Board employees and other  
8 resources necessary to carry out any request for assistance.

9           D. The Board by rule shall establish a process to enable the  
10 Commissioner to determine whether to provide any requested  
11 assistance to the appropriate prosecuting attorney following  
12 referral of a case under Subsection A of this section and, if so,  
13 the appropriate amount of such assistance. The rules must require  
14 the Commissioner to consider:

15                   (1) whether resources are available after taking into  
16 account any ongoing Board investigations, investigations under  
17 Section 28 of this Act, and criminal prosecutions for which  
18 assistance is being provided;

19                   (2) the seriousness of the alleged violation or  
20 violations in the case, including the severity of the harm and  
21 number of victims involved; and

22                   (3) the state's interest in the prosecution of a  
23 particular case and the availability of other methods of redress  
24 for the alleged violations, including the pursuit of a civil  
25 action.

26           E. In response to a request for assistance under Subsection  
27 B of this section, the Board may provide only those Board employees

1 or resources, if any, determined to be available for that case in  
2 accordance with Subsection C of this section. If a change in  
3 circumstances occurs after the time of the determination under  
4 Subsection C of this section, the Commissioner may reconsider the  
5 Commissioner's determination under that subsection and may  
6 increase or reduce the number of Board employees or other resources  
7 to be made available for a case using the process established under  
8 Subsection D of this section.

9 F. The Attorney General, at least biennially, shall review a  
10 sample of criminal cases for which the Board provided requested  
11 assistance to county or district attorneys under this section. The  
12 review must include an evaluation of the pre-referral determination  
13 of available resources to support each case being reviewed as  
14 required by Subsection C of this section and any subsequent  
15 determination of those resources made by the Commissioner as  
16 authorized under Subsection E of this section. The Attorney  
17 General may report any concerns the Attorney General has in  
18 connection with the Board's provision of assistance to the standing  
19 committee of each house of the legislature with primary  
20 jurisdiction over Board matters.

21 SECTION 6. The Securities Act (Article 581-1 et seq.,  
22 Vernon's Texas Civil Statutes) is amended by adding Section 32-1 to  
23 read as follows:

24 Sec. 32-1. REFUND. A. Subject to Subsection B of this  
25 section, the Commissioner may order a dealer, agent, investment  
26 adviser, or investment adviser representative regulated under this  
27 Act to pay a refund to a client or a purchaser of securities or

1 services from the person or company as provided in an agreed order  
2 or an enforcement order instead of or in addition to imposing an  
3 administrative penalty or other sanctions.

4 B. The amount of a refund ordered as provided in an agreed  
5 order or an enforcement order may not exceed the amount the client

9 other damages or estimate harm in a refund order.

11 (Article 581-35, Vernon's Texas Civil Statutes), is amended to read  
12 as follows:

18 registration of an agent or investment adviser representative, or  
19 issue a duplicate certificate or evidence of registration, [~~or~~  
20 ~~register a branch office,~~] \$25;

21 (2) for the examination of any original or amended  
22 application filed under Subsection A, B, or C of Section 7 of this

25 (1%) of the aggregate amount of securities described and proposed  
26 to be sold to persons located within this state based upon the price  
27 at which such securities are to be offered to the public;

1           (3) for certified copies of any papers filed in the  
2 office of the Commissioner, the Commissioner shall charge such fees  
3 as are reasonably related to costs; however, in no event shall such  
4 fees be more than those which the Secretary of State is authorized  
5 to charge in similar cases;

6           (4) for the filing of any application for approval of a

15           (7) for the filing of an initial notice required by the

2023	(\$425,850)
2024	(\$425,850)

**Fiscal Analysis**

The bill would continue the State Securities Board and extend its Sunset date to September 1, 2031. The bill would update the training requirements for board members, require the agency to maintain a system to act promptly and efficiently on complaints received, and implement alternative rulemaking and dispute resolution policies. The bill would require the agency to include in their annual report to the Governor and the Legislature information about the agency's budget spent in supporting criminal prosecutions and the overall status of those cases.

The bill would authorize the agency to provide assistance to a county or district attorney who requests assistance in prosecution of an alleged violation of the Securities Act. The bill would also require the Commissioner to assess the potential resources of the agency that would be needed and available to assist in the prosecution of a case before referring the case to a county or district attorney and would require the agency has a process for determining whether requested assistance is available. The bill would require the Office of the Attorney General to review a sample of criminal cases for which the agency requested assistance to county or district attorneys at least biennially.

The bill would authorize the agency to order a dealer, agent, investment adviser, or investment adviser representative regulated by the agency to pay a refund to a client or purchaser of securities or services instead of or in addition to imposing an administrative penalty or other sanctions. The bill would remove the requirement for branch office registration and applicable fees.

The bill has an effective date of September 1, 2019.

### **Methodology**

According to the Comptroller of Public Accounts, the provision that removes the requirement for registered entities to register individual branch offices would result in a revenue loss to the General Revenue Fund estimated to total \$425,850 per fiscal year, beginning in fiscal year 2020, based on collections from branch office registrations in fiscal year 2017.

Based on the Sunset staff analysis, all other provisions of the bill could be implemented by the agency within existing resources. This analysis assumes that any increased cost to the State Securities Board, which is statutorily required to generate sufficient revenue to cover its costs of operation, would be offset by an increase in fee generated revenue. According to the Office of the Attorney General, the bill's requirement for their review of Securities Board cases can be absorbed within existing resources.

### **Local Government Impact**

No fiscal implication to units of local government is anticipated.
