However, action taken pursuant to this Act may not be construed as depriving or divesting the owner or the owner's lessees and assigns, including holders of recorded liens or other security interests in the land, of these ownership rights or as impairing the contract rights of any person who purchases water for the provision of potable water to the public or for the resale of potable water to the public for any use, subject to the rules

1 adopted by the authority under this Act or a district exercising the  
2 powers provided by Chapter 36 [~~52~~], Water Code. The legislature

7 Legislature, Regular Session, 1993, is amended to read as follows:

13 provided by the general law of this state, including Chapters 49 and  
14 [~~50, 51, and 52~~] Water Code, applicable to an authority created

11 immune from liability for official votes and official actions. To  
12 the extent an official vote or official action conforms to laws

15 those actions.

16 SECTION 5. Section 1.11(d), Chapter 626, Acts of the 73rd

16 article. Each water district governed by Chapter 36, Water Code,  
17 that is within the authority's boundaries may contract with the  
18 authority to pay expenses of the authority through taxes in lieu of  
19 user fees to be paid by water users in the district. The contract  
20 must provide that the district will pay an amount equal to the  
21 amount that the water users in the district would have paid through  
22 user fees. The authority may not collect a total amount of fees and

11 (b) If the owner or lessee of land on which an abandoned,  
12 open, uncovered, or deteriorated well is located fails or refuses  
13 to close, cap, or plug the well in compliance with Chapter 1901,  
14 Occupations Code, and the authority's rules, the authority or its  
15 authorized employees, representatives, or agents may enter the land  
16 and close, cap, or plug the well safely and securely.

17 (c) Reasonable expenses incurred by the authority in  
18 closing, capping, or plugging a well constitute a lien on the land  
19 on which the well is located.

20 (d) The lien as described by Subsection (c) arises and  
21 attaches on recording, in the deed records of the county where the  
22 well is located, an affidavit that is executed by any person

24 (1) the existence of the well;

25 (2) the legal description of the property on which the  
26 well is located;

27 (3) the approximate location of the well on the

6 authority's rules;

7 (5) the closing, capping, or plugging of the well by  
8 the authority or by an authorized employee, representative, or  
9 agent of the authority; and

10 (6) the expense incurred by the authority in closing,  
11 capping, or plugging the well.

12 (e) This section does not affect the enforcement of  
13 Subchapter A, Chapter 756, Health and Safety Code.

14 SECTION 10. Sections 1.37(j), (n), and (r), Chapter 626,

13 ~~Statutes)~~].

14 SECTION 11. Section 1.38, Chapter 626, Acts of the 73rd  
15 Legislature, Regular Session, 1993, is amended to read as follows:

16 Sec. 1.38. INJUNCTION BY AUTHORITY. (a) The authority may  
17 file a civil suit in a state district court for an injunction or  
18 mandatory injunction to enforce this article and the authority's  
19 rules. The authority may recover reasonable attorney fees in a suit  
20 under this section.

9 (b) Only the authority, the applicant, and parties to a  
10 contested case hearing may participate in an appeal of a decision on  
11 the application that was the subject of that contested case  
12 hearing. An appeal of a decision on a permit application must  
13 include the applicant as a necessary party.

14 (c) A suit under this section must be filed in a court of  
15 competent jurisdiction in any county in which the authority is  
16 located. The suit may be filed only after all administrative  
17 appeals to the authority are final.

18 (d) The burden of proof is on the petitioner, and the

20 valid. The review on appeal is governed by either Section 2001.038  
21 or Section 2001.174, Government Code, as appropriate.

14 (e) The failure of the board to grant or deny a request for

16 submitted is a denial of the request.

17 Sec. 1.211. DECISION; WHEN FINAL. (a) A decision by the  
18 board on an application under this Act is final:

19 (1) if a request for rehearing is not filed on time, on

21 (2) if a request for rehearing is filed on time, on the  
22 date:

23 (A) the board denies the request for rehearing;

24 or

25 (B) the board renders a written decision after  
26 rehearing.

27 (b) A timely filed motion for rehearing is a prerequisite to

1 a suit against the authority under Section 1.46 of this article  
2 challenging a decision in a contested hearing. A suit under Section  
3 1.46 must be filed not later than the 60th day after the date on  
4 which the decision becomes final.

5 SECTION 7. Section 1.26(a), Chapter 626, Acts of the 73rd  
6 Legislature, Regular Session, 1993, is amended to read as follows:

15 ~~the governor, lieutenant governor, and speaker of the house of~~  
16 ~~representatives describing the actions taken in response to each~~  
17 ~~recommendation and, for each recommendation not implemented, the~~

19 ~~[(1) distinguish between discretionary use and~~  
20 ~~nondiscretionary use,~~

21 ~~[(2) require reductions of all discretionary use to~~  
22 ~~the maximum extent feasible,~~

23 ~~[(3) require utility pricing, to the maximum extent~~  
24 ~~feasible, to limit discretionary use by the customers of water~~  
25 ~~utilities,~~

26 ~~[(4) require reduction of nondiscretionary use by~~  
27 ~~permitted or contractual users, to the extent further reductions~~

10 SECTION 8. Sections 1.29(b) and (f), Chapter 626, Acts of  
11 the 73rd Legislature, Regular Session, 1993, are amended to read as  
12 follows:

13 (b) The authority shall assess equitable aquifer management  
14 fees based on aquifer use under the water management plan to finance  
15 its administrative expenses and programs authorized under this  
16 article. Each water district governed by Chapter 36, Water Code,  
17 that is within the authority's boundaries may contract with the  
18 authority to pay expenses of the authority through taxes in lieu of  
19 user fees to be paid by water users in the district. The contract  
20 must provide that the district will pay an amount equal to the  
21 amount that the water users in the district would have paid through  
22 user fees. The authority may not collect a total amount of fees and  
23 taxes that is more than is reasonably necessary for the  
24 administration of the authority. The authority may not increase  
25 aquifer management fees by more than eight percent per year.

26 (f) The authority may [~~shall~~] impose a permit application  
27 fee not to exceed \$25. The authority may impose fees to recover

1 administrative costs associated with actions other than the filing  
2 and processing of applications and registrations. The fees may not  
3 unreasonably exceed the administrative costs.

4 SECTION 9. Article 1, Chapter 626, Acts of the 73rd  
5 Legislature, Regular Session, 1993, is amended by adding Section  
6 1.361 to read as follows:

7 Sec. 1.361. OPEN OR UNCOVERED WELLS. (a) If the owner or  
8 lessee of land on which an open or uncovered well is located fails  
9 or refuses to close or cap the well in compliance with Chapter 1901,  
10 Occupations Code, and the authority's rules:

11 (1) the authority may take enforcement action as  
12 authorized by this article to require the owner or lessee to close  
13 or cap the well; or

14 (2) a person, firm, or corporation employed by the  
15 authority may go on the land and close or cap the well safely and  
16 securely.

17 (b) Reasonable expenses incurred by the authority in  
18 closing or capping a well constitute a lien on the land on which the  
19 well is located.

20 (c) The lien described by Subsection (b) arises and attaches  
21 on recordation of, in the deed records of the county where the well  
22 is located, an affidavit executed by any person conversant with the  
23 facts stating the following:

24 (1) the existence of the well;

25 (2) the legal description of the property on which the  
26 well is located;

27 (3) the approximate location of the well on the

1 property;

2 (4) the failure or refusal of the owner or lessee,  
3 after notification, to close or cap the well before the expiration  
4 of 10 days after the notification;

5 (5) the closing or capping of the well by the  
6 authority, or by an authorized agent, representative, or employee  
7 of the authority; and

8 (6) the expense incurred by the authority in closing  
9 or capping the well.

10 (d) This section does not affect the enforcement of  
11 Subchapter A, Chapter 756, Health and Safety Code.

12 SECTION 10. Sections 1.37(j), (n), and (r), Chapter 626,  
13 Acts of the 73rd Legislature, Regular Session, 1993, are amended to  
14 read as follows:

15 (j) Before the expiration of [~~Within~~] 30 days after the date  
16 the authority's order is final as provided by Section 2001.144(a),  
17 Government Code [~~Subsection (c), Section 16, Administrative~~  
18 ~~Procedure and Texas Register Act (Article 6252-13a, Vernon's Texas~~  
19 ~~Civil Statutes)]], the person shall:~~

20 (1) pay the amount of the penalty;

21 (2) pay the amount of the penalty and file a petition  
22 for judicial review contesting the occurrence of the violation, the  
23 amount of the penalty, or both the occurrence of the violation and  
24 the amount of the penalty; or

25 (3) without paying the amount of the penalty, file a  
26 petition for judicial review contesting the occurrence of the  
27 violation, the amount of the penalty, or both the occurrence of the

1 violation and the amount of the penalty.

2 (n) Judicial review of the order of the authority:

3 (1) is instituted by filing a petition as provided by  
4 Subchapter G, Chapter 2001, Government Code [~~Section 19,~~  
5 ~~Administrative Procedure and Texas Register Act (Article 6252-13a,~~  
6 ~~Vernon's Texas Civil Statutes)~~]; and

7 (2) is under the substantial evidence rule.

8 (r) All proceedings under this section are subject to  
9 Chapter 2001, Government Code [~~the Administrative Procedure and~~  
10 ~~Texas Register Act (Article 6252-13a, Vernon's Texas Civil~~  
11 ~~Statutes)~~].

12 SECTION 11. Section 1.38, Chapter 626, Acts of the 73rd  
13 Legislature, Regular Session, 1993, is amended to read as follows:

14 Sec. 1.38. INJUNCTION BY AUTHORITY. (a) The authority may  
15 file a civil suit in a state district court for an injunction or  
16 mandatory injunction to enforce this article and the authority's  
17 rules. The authority may recover reasonable attorney fees in a suit  
18 under this section.

19 (b) In an enforcement action by the authority against a  
20 governmental entity for a violation of authority rules, the limits  
21 on the amount of fees, costs, and penalties that the authority may  
22 impose under this section constitute a limit of liability of the  
23 governmental entity for the violation. This subsection does not  
24 prohibit the recovery by the authority of fees and costs under this  
25 article in an action against a governmental entity.

26 SECTION 12. Article 1, Chapter 626, Acts of the 73rd  
27 Legislature, Regular Session, 1993, is amended by adding Section

1 1.46 to read as follows:

2 Sec. 1.46. SUITS. (a) A person, firm, corporation, or  
3 association of persons affected by and dissatisfied with any  
4 provision or with any rule or order made by the authority is  
5 entitled to file a suit against the authority or its directors to  
6 challenge the validity of the law, rule, or order.

7 (b) Only the authority, the applicant, and parties to a  
8 contested case hearing may participate in an appeal of a decision on  
9 the application that was the subject of that contested case  
10 hearing. An appeal of a decision on a permit application must  
11 include the applicant as a necessary party.

12 (c) A suit under this section must be filed in a court of  
13 competent jurisdiction in any county in which the authority is  
14 located. The suit may be filed only after all administrative  
15 appeals to the authority are final.

16 (d) The burden of proof is on the petitioner, and the  
17 challenged law, rule, order, or act is to be considered prima facie  
18 valid. The review on appeal is governed by either Section 2001.038  
19 or Section 2001.174, Government Code, as appropriate.

20 (e) The authority may recover attorney's fees, costs for  
21 expert witnesses, and other costs incurred by the authority before  
22 the court on the same basis as Chapter 36, Water Code, provides for  
23 a groundwater conservation district to recover those fees and  
24 costs.

25 SECTION 13. Section 3.01, Chapter 626, Acts of the 73rd  
26 Legislature, Regular Session, 1993, is amended by adding Subsection  
27 (d) to read as follows:

1           (d) Not later than the last business day of each  
2 even-numbered year, the Edwards Aquifer Authority shall prepare and  
3 deliver a report to the committee on the authority's operations.  
4 The report must contain a summary of issues related to the  
5 authority's operations that affect the continuing implementation  
6 of this Act or require an amendment to this Act.

7           SECTION 14. Section 36.205(e), Water Code, is amended to  
8 read as follows:

9           (e) Subsection (c) does not apply to the following

14           (3) [~~4~~] the Barton Springs-Edwards Aquifer  
15 Conservation District; or  
16           (4) [~~5~~] any district that collects a property tax  
17 and that was created before September 1, 1999, unless otherwise  
18 authorized by special law.

19           SECTION 15. The following provisions are repealed:

- 20           (1) Section 1.25(b), Chapter 626, Acts of the 73rd  
21 Legislature, Regular Session, 1993;  
22           (2) Section 36.101(1), Water Code;  
23           (3) Section 36.1011(e), Water Code;
