AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The current bail system in Texas allows for the continual release of habitual and violent offenders on multiple felony personal bonds. S.B. 6 seeks to address the release practices surrounding habitual and violent offenders and aims to better protect the safety of their victims, law enforcement officers, and communities as a whole.

Currently, Texas's bail system as a whole lacks transparent and readily available information. Without this information, it is difficult to study the effectiveness of the system, our judges and magistrates who are setting bond, and properly assess the risk of defendants within the system. S.B. 6 would allow defendants to receive thorough individual assessments, as well as increase data reporting to create a more accountable system.

As proposed, S.B. 6 amends current law relating to rules for setting the amount of bail, to the release of certain defendants on a monetary bond or personal bond, to related duties of certain officers taking bail bonds and of a magistrate in a criminal case, to charitable bail organizations, and to the reporting of information pertaining to bail bonds.

(i) Requires the judges of the courts trying criminal cases in a county to report to OCA each defendant for whom a hearing under Subsection (h) was not held within 48 hours of the defendant's arrest.
