AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

This proposed legislation amends Chapter 33 of the Education Code to require University Interscholastic League (UIL) athletes to compete in sports associated with their biological sex as determined at or near birth and that was properly listed on the student's birth certificate.

However, the bill allows female athletes to compete in male sports if a corresponding female sport is not available and the interscholastic athletic team allows for it.

As proposed, S.B. 2 amends current law relating to requiring public school students to compete in interscholastic athletic competitions based on biological sex.

RULEMAKING AUTHORITY

Rulemaking authority is expressly granted to the University Interscholastic League in SECTION 1 (Section 33.0834, Education Code) of this bill.

- (1) the student's official birth certificate, as described by Subsection (c); or
- (2) if the student's official birth certificate described by Subdivision (1) is unobtainable, another government record.

(b) Authorizes an interscholastic athletic team described by Subsection (a) to allow a female student to compete in an interscholastic athletic competition that is designated for male students if a corresponding interscholastic athletic competition designated for female students is not offered or available.

(c) Provides that, for purposes of this section, a statement of a student's biological sex on the student's official birth certificate is considered to have correctly stated the student's biological sex only if the statement was:

- (1) entered at or near the time of the student's birth; or
- (2) modified to correct a clerical error in the student's biological sex.

(d) Requires the University Interscholastic League (UIL) to adopt rules to implement this section, provided that the rules are required to be approved by the

commissioner of education (commissioner) in accordance with Section 33.083(b) (relating to providing that the UIL is a part of The University of Texas at Austin and is required to submit its rules and procedures to the commissioner for approval or disapproval).

SECTION 2. Provides that this Act applies beginning with the 2021-2022 school year.

SECTION 3. Effective date: upon passage or the 91st day after the last day of the legislative session.
