

R E S O L U T I O N

1           WHEREAS, The Texas House of Representatives is pleased to  
2 recognize the nuclear energy research being performed by Natura  
3 Resources, LLC, Abilene Christian University, and NEXTRA or the  
4 Nuclear Energy eXperimental Testing Research Alliance, a  
5 consortium that is being led by ACU in partnership with The  
6 University of Texas, Texas A&M University, and the Georgia  
7 Institute of Technology; and

8           WHEREAS, Natura Resources, ACU, and NEXTRA have proposed the  
9 construction of a molten salt research reactor to be located at ACU;  
10 and

11           WHEREAS, The establishment of a molten salt research reactor  
12 represents the first step in the research, development, and  
13 deployment of such reactors, which have the potential to safely  
14 provide not only reliable electricity free of carbon emissions but  
15 also medical-quality isotopes for the treatment of cancer;  
16 moreover, the reactors have the ability to transform nonpotable  
17 water into drinking water; and

18           WHEREAS, Texas continues to be a driving force in all forms of  
19 energy production, not only in the United States but throughout the  
20 world, and efforts such as the molten salt research reactor project  
21 will further the Lone Star State's record of energy leadership;  
22 now, therefore, be it

23           RESOLVED, That the House of Representatives of the 87th Texas  
24 Legislature, 2nd Called Session, hereby commend Natura

H.R. No. 192

1 Resources, LLC, Abilene Christian University, and NEXTRA for their  
2 work on the proposed molten salt research reactor at Abilene  
3 Christian University and extend to these institutions sincere best  
4 wishes for continued success in this endeavor; and, be it further

5       RESOLVED, That an official copy of this resolution be  
6 prepared for the institutions as an expression of high regard by the  
7 Texas House of Representatives.
