learning program under Section 29.9091 or the state virtual school
network under Chapter 30A. This subsection expires September 1, 2023.

SECTION 2. Section 25.092, Education Code, is amended by
adding Subsection (a-4) to read as follows:

(a-4) A school district or open-enrollment charter school
may adopt a policy to exempt students from the requirements of this
section for one or more courses identified in the policy that are
offered under a local remote learning program under Section
29.9091. This subsection expires September 1, 2023.

SECTION 3. Subchapter Z, Chapter 29, Education Code, is
amended by adding Section 29.9091 to read as follows:

Sec. 29.9091. LOCAL REMOTE LEARNING PROGRAM. (a) A school district or open-enrollment charter school assigned an overall performance rating of C or higher under Section 39.054 for the preceding school year or the most recent school year in which a performance rating was assigned may operate a local remote learning program to offer virtual courses outside the state virtual school network under Chapter 30A to eligible students.

(b) A school district or open-enrollment charter school that operates a full-time local remote learning program must:

(1) include in the program:
   (A) at least one grade level in which an assessment instrument is required to be administered under Section 39.023(a), including each subject for which an assessment instrument is required; or
   (B) a complete high school program, including each course for which an end-of-course assessment instrument is required to be administered under Section 39.023(c); and

(2) offer the option for a student’s parent or person standing in parental relation to select in-person instruction for the student.

(c) A virtual course offered under a local remote learning program:

(1) may be provided through synchronous instruction, asynchronous instruction, or a combination of synchronous and asynchronous instruction; and

(2) may be provided in combination with in-person
instruction as appropriate to meet the needs of individual
students.

(d) A student is eligible to enroll in a virtual course
offered under a local remote learning program if the student:

(1) is enrolled in a school district or
open-enrollment charter school;

(2) has reasonable access to in-person services for
the course at a district or school facility; and

(3) meets any additional criteria, including minimum
academic standards, established by the school district or
open-enrollment charter school in which the student is enrolled.

that operates a local remote learning program:

(1) shall periodically assess the performance of
students enrolled in virtual courses under the program;

(2) subject to Subsection (f), may remove a student
from virtual courses under the program and return the student to
in-person instruction if the district or school determines that the
student does not meet the criteria described by Subsection (d); and

(3) may not count a student for purposes of
calculating the district's or school's average daily attendance if
the student has 10 or more unexcused absences in the program in a
six-month period.

(f) A school district or open-enrollment charter school may
remove a student from virtual courses under Subsection (e)(2) only
if the district or school establishes a process to ensure that each
student and the student's parent or person standing in parental
S.B. No. 15

relation have sufficient notice and opportunity to provide input
before the student is removed from those courses.

(g) A school district or open-enrollment charter school may
contract with another school district or open-enrollment charter
school to allow a student enrolled in the sending district or school
to enroll in virtual courses offered under the local remote
learning program of the receiving district or school. A student

school students.

(i) If a school district or open-enrollment charter school
offers virtual courses under a local remote learning program for
students receiving special education services, the courses must
meet the needs of a participating student in a manner consistent
with Subchapter A of this chapter and with federal law, including
the Individuals with Disabilities Education Act (20 U.S.C. Section
1400 et seq.) and Section 504, Rehabilitation Act of 1973 (29 U.S.C.
Section 794).

course offered under a full-time local remote learning program
unless the teacher has completed a professional development course on virtual instruction.

(k) A district or school may not directly or indirectly coerce any teacher to agree to an assignment to teach a full-time local remote learning program.

(l) A school district or open-enrollment charter school may not require a teacher to provide both virtual instruction and in-person instruction for a course during the same class period. The commissioner may waive the requirements of this subsection for courses included in the enrichment curriculum under Section 28.002.

(m) A student enrolled in a virtual course offered under a local remote learning program may participate in an extracurricular activity sponsored or sanctioned by the school district or open-enrollment charter school in which the student is enrolled or by the University Interscholastic League in the same manner as other district or school students.

open-enrollment charter school; or

(2) in response to a public health emergency.
