Senate Bill (SB) 2167, as Filed by Senator Borris Miles - Relating to the creation of the Northeast Houston Redevelopment District; providing authority to issue bonds; providing authority to impose assessments or fees.

Dear Governor Patrick:

The following comments are provided pursuant to the Constitutional requirements referenced above. Under those requirements, the TCEQ must submit, to the Governor, Lieutenant Governor and Speaker of the House of Representatives, the TCEQ's recommendations on specific legislation affecting water districts. We recommend that these comments be considered in the evaluation of the proposed legislation.

Sincerely,

Senator Borris Miles, Texas Senate

Enclosure

SB 2167, as Filed by Senator Borris Miles
Texas Commission on Environmental Quality's Comments

The Legislative Budget Board, in cooperation with the Texas Water Development Board (TWDB) and the Texas Commission on Environmental Quality (TCEQ), has determined that:

This bill creates Northeast Houston Redevelopment District (District) with the powers and duties of a standard municipal management district under Local Government Code Chapter 375 and a standard public improvement district under Local Government Code Chapter 372.

Comments on Powers/Duties Different from Similar Types of Districts: The District is to be governed by a board of thirteen voting directors that are appointed by the governing body of the City of Houston (City) from persons recommended by the board. Section 375.063, Local Government Code (Director Qualifications) will not apply to initial directors. The bill specifies that an improvement project described by Section 3995.0302 may be located: in the District; or in an area outside but adjacent to the District if the project is for the purpose of extending a public infrastructure improvement beyond the District's boundaries to a logical terminus. The board by resolution may authorize the creation of a nonprofit corporation to assist and act for the District in implementing a project or providing a service authorized by this chapter. The nonprofit has each power of and is considered to be a local government corporation created under Subchapter D, Chapter 431, Transportation Code. The District may contract to provide law enforcement services in the District for a fee. The bill allows the District to create economic development programs and exercise economic development powers under Chapter 380, Local Government Code and Subchapter A, Chapter 1509, Government Code. The bill specifies that the District may not exercise a power granted to the District after the date the District was created unless the City consents to the District's exercise of the power. The bill specifies that the District may not impose an ad valorem tax. The District may not exercise the power of eminent domain. The District may not impose an assessment, impact fee, or standby fee on the property of an electric utility or a power generation company, an oil or gas utility, a person who owns pipelines used for the transportation or sale of carbon dioxide, a telecommunications provider, or a person who provides to the public cable television or advanced telecommunications services. The board may not finance a service or

improvement project with assessments under this chapter unless a written petition requesting that service or improvement has been filed with the board. A municipality that includes territory of the District, in the corporate boundaries or extraterritorial jurisdiction of the municipality may dissolve the district by ordinance. The bill specifies that Section 375.263, Local Government Code, does not apply to the District. The bill specifies that the board shall dissolve the district on written petition filed with the board by owners of 66 percent or more of the assessed value or surface area of the District. The bill specifies that Section 375.262, Local Government Code, does not apply to the District.

Overlapping Services: TCEQ does not have mapping information for water and/or wastewater providers because this function was transferred from the TCEQ to the Public Utility Commission on September 1, 2014. As a result, TCEQ is unaware of possible overlapping service providers.

TCEQ's Supervision: As with general law districts, the TCEQ will have general supervisory authority, including bond review authority and review of financial reports.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subtitle C, Title 4, Special District Local Laws Code, is amended by adding Chapter 3995 to read as follows:

CHAPTER 3995. NORTHEAST HOUSTON REDEVELOPMENT DISTRICT

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 3995.0101. DEFINITIONS. In this chapter:

(1) "Board" means the district's board of directors.

(2) "City" means the City of Houston.

(3) "County" means Harris County.

(4) "Director" means a board member.

(5) "District" means the Northeast Houston Redevelopment District.

Sec. 3995.0102. CREATION AND NATURE OF DISTRICT. The district is a special district created under Section 59, Article XVI, Texas Constitution.

Sec. 3995.0103. PURPOSE; LEGISLATIVE FINDINGS. (a) The creation of the district is essential to accomplish the purposes of Sections 52 and 52-a, Article III, and Section 59, Article XVI, Texas Constitution, and other public purposes stated in this chapter. By creating the district and in authorizing political

1 subdivisions to contract with the district, the legislature has
2 established a program to accomplish the public purposes set out in
3 Section 52-a, Article III, Texas Constitution.

4 (b) The creation of the district is necessary to promote,
5 develop, encourage, and maintain employment, commerce,
6 transportation, housing, tourism, recreation, the arts,
7 entertainment, economic development, safety, and the public
8 welfare in the district.

9 (c) The district is created to supplement and not to
10 supplant county services provided in the district.

11 Sec. 3995.0104. FINDINGS OF BENEFIT AND PUBLIC PURPOSE.

12 (a) The district is created to serve a public use and benefit.

13 (b) All land and other property included in the district
14 will benefit from the improvements and services to be provided by
15 the district under powers conferred by Sections 52 and 52-a,
16 Article III, and Section 59, Article XVI, Texas Constitution, and
17 other powers granted under this chapter.

18 (c) The creation of the district is in the public interest
19 and is essential to further the public purposes of:

20 (1) developing and diversifying the economy of the
21 state;

22 (2) eliminating unemployment and underemployment;

23 (3) developing or expanding transportation and
24 commerce; and

25 (4) providing quality residential housing.

26 (d) The district will:

27 (1) promote the health, safety, and general welfare of

1 residents, employers, potential employees, employees, visitors,
2 and consumers in the district, and of the public;

3 (2) provide needed funding for the district to
4 preserve, maintain, and enhance the economic health and vitality of
5 the district territory as a residential community and business
6 center; and

7 (3) promote the health, safety, welfare, and enjoyment
8 of the public by providing pedestrian ways and by landscaping,
9 removing graffiti from, and developing certain areas in the
10 district, which are necessary for the restoration, preservation,
11 and enhancement of scenic beauty.

12 (e) Pedestrian ways along or across a street, whether at
13 grade or above or below the surface, and street lighting, street
14 landscaping, vehicle parking, and street art objects are parts of
15 and necessary components of a street and are considered to be an
16 improvement project that includes a street or road improvement.

17 (f) The district will not act as the agent or
18 instrumentality of any private interest even though the district
19 will benefit many private interests as well as the public.

20 Sec. 3995.0105. DISTRICT TERRITORY. (a) The district is
21 initially composed of the territory described by Section 2 of the
22 Act enacting this chapter.

23 (b) The boundaries and field notes contained in Section 2 of
24 the Act enacting this chapter form a closure. A mistake in the
25 field notes or in copying the field notes in the legislative process
26 does not affect the district's:

27 (1) organization, existence, or validity;

1 (2) right to issue any type of bond for the purposes
2 for which the district is created or to pay the principal of and
3 interest on a bond;

4 (3) right to impose or collect an assessment; or

5 (4) legality or operation.

6 Sec. 3995.0106. ELIGIBILITY FOR INCLUSION IN SPECIAL ZONES.

14 Government Code.

16 DISTRICTS LAW. Except as otherwise provided by this chapter,

19 shall be liberally construed in conformity with the findings and
20 purposes stated in this chapter.

21 Sec. 3995.0109. CONFIRMATION ELECTION. (a) Before
22 issuing any bonds or other obligations, imposing any assessments,
23 or recommending persons for appointment as succeeding directors,
24 the initial directors shall hold an election in the boundaries of
25 the district on a uniform election date provided by Section 41.001,
26 Election Code, to determine if the district shall be created.

27 (b) Notice of a confirmation election shall state the day

1 and place or places for holding the election and the propositions to
2 be voted on.

3 (c) The ballots for a confirmation election shall be printed
4 to provide for voting "For District" and "Against District."

5 (d) Immediately after the confirmation election, the
6 presiding judge shall take returns of the results to the initial
7 board. The initial board shall canvass the returns and issue an
8 order declaring the results at the earliest practicable time. The
9 order must include a description of the district's boundaries.

10 (e) If a majority of the votes cast in the election favor the
11 creation of the district, the initial board shall issue an order
12 declaring that the district is created and enter the result in its
13 minutes. If a majority of the votes cast in the election are
14 against the creation of the district, the initial board shall issue
15 an order declaring that the district was defeated and enter the
16 result in its minutes.

17 enforce an ad valorem tax lien against real property.

18 (d) The board may make a correction to or deletion from the
19 assessment roll that does not increase the amount of assessment of
20 any parcel of land without providing notice and holding a hearing in
21 the manner required for additional assessments.

22 Sec. 3995.0503. METHOD OF NOTICE FOR HEARING. The district
23 may mail the notice required by Section 375.115(c), Local

26 SUBCHAPTER I. DISSOLUTION

27 Sec. 3995.0901. DISSOLUTION BY ORDINANCE. (a) A

1 municipality that includes territory of the district, in the
2 corporate boundaries or extraterritorial jurisdiction of the
3 municipality, by ordinance may dissolve the district.

4 (b) The municipality may not dissolve the district until the
5 district's outstanding debt or contractual obligations have been
6 repaid or discharged, or the municipality has affirmatively assumed
7 the obligation to pay the outstanding debt from municipal revenue.

8 (c) Section 375.263, Local Government Code, does not apply
9 to the district.

10 Sec. 3995.0902. COLLECTION OF ASSESSMENTS AND OTHER
11 REVENUE. (a) If the dissolved district has bonds or other
12 obligations outstanding secured by and payable from assessments or

14 succeed to the rights and obligations of the district regarding
15 enforcement and collection of the assessments or other revenue.

16 (b) The municipality shall have and exercise all district
17 powers to enforce and collect the assessments or other revenue to
18 pay:

19 (1) the bonds or other obligations when due and
20 payable according to their terms; or

21 (2) special revenue or assessment bonds or other
22 obligations issued by the municipality to refund the outstanding
23 bonds or obligations.

24 Sec. 3995.0903. ASSUMPTION OF ASSETS AND LIABILITIES.

25 (a) If a municipality dissolves the district, the municipality
26 assumes, subject to the appropriation and availability of funds,
27 the obligations of the district, including any bonds or other debt

1 payable from assessments or other district revenue.

2 (b) If a municipality dissolves the district, the board
3 shall transfer ownership of all district property to the
4 municipality.

5 Sec. 3995.0904. DISSOLUTION BY PETITION. (a) Except as
6 limited by Section 375.264, Local Government Code, the board shall
7 dissolve the district on written petition filed with the board by
8 the owners of:

9 (1) 66 percent or more of the assessed value of the
10 property subject to assessment by the district based on the most
11 recent certified county property tax rolls; or

12 (2) 66 percent or more of the surface area of the
13 district, excluding roads, streets, highways, utility
14 rights-of-way, other public areas, and other property exempt from
