

Amend HB 867 on page 3, line 22, and page 7, line 16, by inserting at both places the following language:

(c) If at the time the petition is filed there exists a dispute between the parties to the order with regard to the issue of funds under the order being used for therapies, drugs, or surgery for the purpose of allowing a child to present themselves as a sex other than their biological sex, the court shall stay all proceedings with regard to such petition until the dispute is resolved.
