

Amend **CSSB 1** (house committee report) in Article I of the bill, following the appropriations to the Facilities Commission (I-40), by adding the following appropriately numbered rider:

____. Barbara Jordan Building. It is the intent of the legislature that the Facilities Commission, using the funds appropriated to the commission by this Act, name the state building being constructed on the east side of North Congress Avenue, between 16th Street and 17th Street, the Barbara Jordan Building, with the name prominently displayed in a manner similar to the display of names for other state buildings.
