

Amend SB 3 on third reading on page 4 as follows:

(1) On line 1, between "WEATHER" and the period, insert "; DISASTER PREPAREDNESS EDUCATION".

(2) Between lines 8 and 9, insert the following:

(c) The division shall develop disaster preparedness educational materials that include instructions for preparing a disaster kit containing supplies most needed in a disaster or emergency, such as water, nonperishable food, medical supplies, flashlights, and other essential items, to assist families and businesses in adequately preparing for winter storms, hurricanes, floods, drought, fires, and other potential disasters.

(d) The division shall post on the division's Internet website and distribute to local governments and businesses the educational materials and instructions developed under Subsection (c).
