### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

H.B. 4578 creates Lakeview Point Municipal Utility District of Palo Pinto County (district). The district will encompass approximately 11.06 acres of land located within Palo Pinto County, Texas. The district is not located within the extraterritorial jurisdiction or corporate limits of any city, town, or village. H.B. 4578 is a standard template bill and provides for water, sewer, drainage, and road facilities (facilities), which need to be secured because the land to be located within the district will be developed for residential purposes. H.B. 4578 follows the template in all regards, except that the temporary directors are named in the proposed legislation. The district is created under Water Code provisions applicable to all water districts and to municipal utility districts and under constitutional provisions relating to conservation and reclamation districts. The district will have standard road powers and must comply with all applicable road standards. The district will have the authority to issue tax-exempt bonds to purchase, acquire, or construct the facilities. It is also necessary to empower the district with authority to impose a tax and to grant the district a limited power of eminent domain. The bill provides for the creation, administration, powers, duties, operation, and financing of the district.

H.B. 4578 amends current law relating to the creation of the Lakeview Point Municipal Utility District of Palo Pinto County, grants a limited power of eminent domain, provides authority to issue bonds, and provides authority to impose assessments, fees, and taxes.
