

## **BILL ANALYSIS**

H.B. 4580  
By: Metcalf  
Land & Resource Management  
Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

It has been suggested that undeveloped land located within Montgomery County would benefit from the creation of a municipal utility district. H.B. 4580 seeks to provide for the creation of such a district.

### **CRIMINAL JUSTICE IMPACT**

It is the committee's opinion that this bill does not expressly create a criminal offense, increase the punishment for an existing criminal offense or category of offenses, or change the eligibility of a person for community supervision, parole, or mandatory supervision.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

### **ANALYSIS**

H.B. 4580 amends the Special District Local Laws Code to create the Montgomery County Municipal Utility District No. 202, subject to municipal consent and voter approval at a confirmation election. The bill grants the district the power to undertake certain road projects and provides for the following:

- the maintenance of certain roads outside the corporate limits of the City of Conroe;
- the effect of the annexation of the district by the city; and
- the division of the district into two or more new districts.

The bill authorizes the district, subject to certain requirements, to issue obligations and impose property, operation and maintenance, and contract taxes. The bill expressly prohibits the district from exercising the power of eminent domain if the bill does not receive a two-thirds vote of all the members elected to each house.

### **EFFECTIVE DATE**

On passage, or, if the bill does not receive the necessary vote, September 1, 2021.
