### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The proposed TRR 243 Municipal Management District (district) will serve approximately 243.82 acres located in the corporate limits of the City of Celina, (city) in Collin County, Texas. Currently, all of the land in the district is vacant and unimproved. The land will be developed for retail and multi-family purposes. The district will construct and finance the water, sewer, drainage facilities, and roads and turn them over to the city for ownership, operation, and maintenance.

The city has adopted a resolution in support of the district's creation.

The city will appoint one of the five directors to the board.

The legislation generally follows the "template" for MMDs except it specifically limits the ability of the district to issue bonds secured by assessments unless issuance is approved by the Texas Commission on Environmental Quality and 75 percent of the property being benefitted by the infrastructure is built.

H.B. 4590 amends current law relating to the creation of the TRR 243 Municipal Management District and provides authority to issue bonds and impose assessments, fees, and taxes.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
