AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Under Article 39.14, Code of Criminal Procedure, prosecutors are required to turn over to the defense all material evidence except those items that are exempted by statute. Prosecutors are obligated to disclose this evidence to the defendant, but in many instances prosecutors are reliant on the release of evidence, known or not known to exist, collected by the investigating law enforcement agency.

If an investigating law enforcement agency does not turn over information or evidence to the prosecutor, the prosecutor can face sanctions including reprimand, censure, termination and even disbarment for his subsequent failure to disclose the information to the defense. Law enforcement agencies however, are not compelled to disclose the information, nor do they face sanctions for their inadvertent or willful failure to release all evidence or required information to prosecutors.

S.B. 111 would amend Chapter 2, Code of Criminal Procedure, to require a law enforcement agency that files a case with the attorney representing the state to submit to the prosecutor a written statement from an officer employed by the agency which attests that all exculpatory, impeaching, or mitigating evidence in possession of the investigating agency has been released to the state's attorney at the time the case is filed.

The bill also requires that any exculpatory, impeaching, or mitigating evidence collected after the investigating agency files a case with the county or district attorney which is subject to discovery is also promptly turned over to the state's attorney.

The language of S.B. 111 is identical to S.B. 2114, which was approved by the Texas Senate during the 86th Legislature.

(Original Author's/Sponsor's Statement of Intent)

S.B. 111 amends current law relating to certain duties of law enforcement agencies concerning certain information subject to disclosure to a defendant.
