AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

County commissioners are required to complete at least 16 classroom hours of continuing education annually, however, COVID-19 hindered commissioners' ability to travel and meet in person to fulfill these requirements. Therefore, continuing education was permitted online.

S.B. 230 permanently strikes the in-person classroom requirement, granting county commissioners the ability to complete their training either online or in-person. In doing so, commissioners across the state may attain their requirements in a more efficient manner.

(Original Author's / Sponsor's Statement of Intent)

S.B. 230 amends current law relating to the continuing education requirement for county commissioners.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
