### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Election Code, Chapter 501, governs local option elections on the sale of alcoholic beverages. The City of Portland, located in San Patricio County in the Coastal Bend, seeks to establish a cultural district in its downtown area for economic development purposes. Part of that plan is to allow businesses not typically permitted to sell alcoholic beverages, namely, local art galleries and similar cultural institutions, to obtain such permits. A local bill, S.B. 1216 would authorize a local option election to create a zone within Portland in which such businesses can apply for a permit to sell alcoholic beverages. The bill also provides means by which Portland residents can petition the city to hold future local option elections to change the allowances within the zone.

As proposed, S.B. 1216 amends current law relating to a local option election on the sale of alcoholic beverages in certain areas of a municipality.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
