### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

S.B. 1704 dedicates a portion of the patriot freeway in northeast El Paso to the "Korean War Veterans Memorial Highway."

Signs erected to designate memorial highways must be funded by grants or donations. According to the Texas Transportation Code, Section 225.021(c), the Texas Department of Transportation (TxDOT) may not design, construct, or erect a marker under this subchapter unless a grant or donation of funds is made to TxDOT to cover the cost of the design, construction, and erection of the marker. While TxDOT is not responsible for the original cost of the design, construction, and erection of the signs, it is responsible for their repair, maintenance, and replacement.

S.B. 1704 amends current law relating to the designation of the portion of United States Highway 54 in El Paso County as the Korean War Veterans Memorial Highway.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
