AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The East Montgomery County Municipal Utility District No. 14 (district) was created in 2005 by the Texas Legislature. S.B. 2216 proposes to grant the district division powers and the power to undertake certain road projects.

Division powers allow a district to divide after it has been created. Division powers provide for flexibility in land planning over large tracts, allowing district boundaries to be established by the final land plan, rather than an arbitrary line at creation. Additionally, division powers allow for an advantageous tax structure for residents. Residents benefit by seeing their tax rates drop sooner in a smaller district.

Road infrastructure is necessary to promote the development of the area within the district.

The bill authorizes the district, subject to certain requirements, to issue bonds and other obligations and impose property taxes.

There is no known opposition to this legislation.

As proposed, S.B. 2216 amends current law relating to the powers and duties of the East Montgomery County Municipal Utility District No. 14; provides authority to issue bonds; and provides authority to impose assessments, fees, and taxes.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
