AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Residents and friends of the United States will mark the 250th anniversary of the nation's founding on July 4, 2026, and the United States Semiquincentennial Commission is working tirelessly to organize and facilitate the observance of this milestone. Established by the Semiquincentennial Commission Act of 2016, the United States Semiquincentennial Commission is a federal commission that collaborates with affiliates at the local, territorial, state, tribal, regional, national, and international levels. The initiative strives to educate, engage, and unite Americans throughout a commemorative period that ranges from 2020 to 2027, and its efforts will culminate in the Fourth of July events of 2026.

As of March 10, 2021, 11 states have established organizations to highlight themselves in the 250th commemoration by planning and implementing programs that honor the history and culture of the United States, including public art displays, museum exhibitions, and educational curriculums, and the commission expects the widest participation to occur through state and local projects like these. Since the adoption of the Declaration of Independence in 1776, Americans have treasured the rights to life, liberty, and the pursuit of happiness, and Texas can pay tribute to these important values by joining in the celebration of the United States' 250th anniversary.
