(b) No regulatory authority, planning authority, or

service based on the type or source of energy to be delivered to the
end-use customer.

(c) An entity, including a regulatory authority, planning

1 authority, political subdivision, or utility, may not impose any
2 additional charge or pricing difference on a development or
3 building permit applicant for utility infrastructure that:

6 based on the type or source of energy to be delivered to the end-use
7 customer; or

8 (2) discourages the installation of facilities for the
9 delivery of or use of a utility service based on the type or source
10 of energy to be delivered to the end-use customer.

11 (d) This section does not limit the ability of a regulatory

13 properties owned by the regulatory authority or political
