AN ACT

relating to the elimination of school district maintenance and operations ad valorem taxes and the creation of a joint interim committee on the elimination of those taxes.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Chapter 26, Tax Code, is amended by adding Section 26.035 to read as follows:

Sec. 26.035. PROHIBITION ON IMPOSITION OF MAINTENANCE AND OPERATIONS TAX BY SCHOOL DISTRICT; AUTHORIZATION FOR ENRICHMENT TAX. (a) Notwithstanding any other law and except as provided by Subsection (b), beginning January 1, 2024, a school district may not impose a tax for maintenance and operations purposes.

(b) Subsection (a) does not affect the authority of a school district to impose an enrichment tax at a rate not to exceed \$0.17 per \$100 of taxable value of property in the district for the purpose of providing additional revenue to enrich the educational opportunities of students enrolled in the district. The revenue attributable to the tax authorized under this subsection is in addition to any money the district receives from the state.

(c) A reference in this code, the Education Code, or any other law to a school district's authority to impose a maintenance tax or a maintenance and operations tax may not be construed in a manner inconsistent with this section.

SECTION 2. (a) In this section, "committee" means the joint

1 interim committee on the elimination of school district maintenance  
2 and operations ad valorem taxes.

3 (b) The joint interim committee on the elimination of school  
4 district maintenance and operations ad valorem taxes is composed  
5 of:

6 (1) five members of the house of representatives  
7 appointed by the speaker of the house of representatives; and

8 (2) five senators appointed by the lieutenant  
9 governor.

10 (c) The speaker of the house of representatives and the  
11 lieutenant governor shall make the appointments under Subsection  
12 (b) of this section not later than the 60th day after the effective  
13 date of this Act.

14 (d) The speaker of the house of representatives and the  
15 lieutenant governor shall each designate a co-chair from among the  
16 committee members.

17 (e) The committee shall convene at the joint call of the  
18 co-chairs.

19 (f) The committee has all other powers and duties provided  
20 to a special or select committee by the rules of the senate and  
21 house of representatives, by Subchapter B, Chapter 301, Government  
22 Code, and by policies of the senate and house committees on  
23 administration.

24 (g) The committee shall consider and evaluate:

25 (1) the effectiveness of increasing the rate or  
26 expanding the application of consumption taxes currently imposed by  
27 the state and using the revenue attributable to the increase or

1 expansion to meet the state's constitutional duty to make suitable  
2 provision for the support and maintenance of an efficient system of  
3 public free schools in the state;

4 (2) the effectiveness of imposing consumption taxes  
5 not currently imposed by the state and using the revenue  
6 attributable to the imposition of those taxes to meet the state's  
7 constitutional duty to make suitable provision for the support and  
8 maintenance of an efficient system of public free schools in the  
9 state;

10 (3) the ability of state-imposed consumption taxes to  
11 adequately respond to annual changes in funding needs that are  
12 unique to school districts in the state; and

13 (4) the effects of an increase in consumption taxes on  
14 the residents of this state and businesses located in this state.

15 (h) Not later than November 1, 2022, the committee shall  
16 provide to the legislature a written report:

17 (1) addressing the feasibility of using consumption  
18 taxes for the support and maintenance of an efficient system of  
19 public free schools in the state;

20 (2) proposing a comprehensive plan to use revenue  
21 attributable to consumption taxes for the support and maintenance  
22 of an efficient system of public free schools in the state; and

23 (3) proposing legislation necessary to implement the  
24 comprehensive plan described by Subdivision (2) of this subsection.

25 (i) The proposals made in the report under Subsection (h) of  
26 this section must:

27 (1) allow for the imposition by a school district of an

1 ad valorem tax at a rate not to exceed \$0.17 per \$100 of taxable  
2 value of property in the district for the purpose of enriching  
3 educational opportunities for students enrolled in the district;  
4 and

5           (2) ensure that the total amount of state and local  
6 funds per weighted student provided to public schools for each  
7 school year under the comprehensive plan described by Subsection  
8 (h)(2) of this section is at least equal to the total amount of  
9 state and local funds per weighted student provided to public  
10 schools for the 2022-2023 school year.

11           (j) The committee is abolished January 1, 2023.

12           SECTION 3. This Act takes effect immediately if it receives  
13 a vote of two-thirds of all the members elected to each house, as  
14 provided by Section 39, Article III, Texas Constitution. If this  
15 Act does not receive the vote necessary for immediate effect, this  
16 Act takes effect September 1, 2021.
