7 (4) uses or receives a substantial amount of tangible
8 goods, services, or money from the state agency other than
9 compensation or reimbursement authorized by law for the state
10 agency's policymaking body membership, attendance, or expenses.

11 Sec. 325.053. PROVISIONS RELATING TO CONFLICTS OF INTEREST.

12 (a) In this section, "Texas trade association" means a cooperative
13 and voluntarily joined statewide association of business or
14 professional competitors in this state designed to assist its
15 members and its industry or profession in dealing with mutual
16 business or professional problems and in promoting their common
17 interest.

18 (b) A person may not be a member of the policymaking body of
19 a state agency and may not be an employee of the state agency
20 employed in a "bona fide executive, administrative, or professional
21 capacity," as that phrase is used for purposes of establishing an
22 exemption to the overtime provisions of the federal Fair Labor
23 Standards Act of 1938 (29 U.S.C. Section 201 et seq.) if:

24 (1) the person is an officer, employee, or paid
25 consultant of a Texas trade association in a field regulated by the

7 person's activities for compensation on behalf of a profession
8 related to the operation of the state agency.

9 Sec. 325.054. GOVERNOR DESIGNATES PRESIDING OFFICER. The
10 governor shall designate a member of a state agency's policymaking
11 body as the presiding officer of the policymaking body to serve in
12 that capacity at the pleasure of the governor.

13 Sec. 325.055. GROUNDS FOR REMOVAL OF MEMBERS FROM
14 POLICYMAKING BODIES. (a) It is a ground for removal from a state

16 (1) does not have at the time of taking office the
17 qualifications required by law to be a member of the policymaking
18 body;

20 policymaking body the qualifications required by law to be a member

2 scheduled meetings of the policymaking body that the member is
3 eligible to attend during a calendar year without an excuse
4 approved by a majority vote of the policymaking body.

5 (b) The validity of an action of a state agency's
6 policymaking body is not affected by the fact that it is taken when
7 a ground for removal of a member of the policymaking body exists.

8 (c) If the executive head of a state agency has knowledge
9 that a potential ground for removal exists, the executive head
10 shall notify the presiding officer of the state agency's
11 policymaking body of the potential ground. The presiding officer
12 shall then notify the governor and the attorney general that a
13 potential ground for removal exists. If the potential ground for
14 removal involves the presiding officer, the executive head shall
15 notify the next highest ranking officer of the policymaking body,
16 who shall then notify the governor and the attorney general that a
17 potential ground for removal exists.

22 the policymaking body until the person completes a training program
23 that complies with this section.

24 (b) The training program must provide the person with
25 information regarding:

11 agency policymaking body in performing their duties; and

12 (6) any applicable ethics policies adopted by the
13 state agency or the Texas Ethics Commission.

14 (c) A person appointed to the state agency's policymaking
15 body is entitled to reimbursement, as provided by the General
16 Appropriations Act, for the travel expenses incurred in attending
17 the training program regardless of whether the attendance at the
18 program occurs before or after the person qualifies for office.

19 (d) The executive head of the state agency shall create a
20 training manual that includes the information required by
21 Subsection (b). The executive head shall distribute a copy of the
22 training manual annually to each member of the policymaking body.
23 Each member of the policymaking body shall sign and submit to the
24 executive head a statement acknowledging that the member received
25 and reviewed the training manual.

26 Sec. 325.057. POLICIES TO SEPARATE POLICYMAKING AND STAFF
27 FUNCTIONS. The policymaking body of a state agency shall develop

14 of the complaint and a summary of the results of the review or
15 investigation of the complaint and the disposition of the
16 complaint.

17 (b) The state agency shall make information available
18 describing its procedures for complaint investigation and
19 resolution.

20 (c) The state agency shall periodically notify the
21 complaint parties of the status of the complaint until final
22 disposition unless the notice would jeopardize the investigation.
