AN ACT

relating to the breach of development agreement contracts governing land in the extraterritorial jurisdiction of certain municipalities.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 212.172, Local Government Code, is amended by amending Subsections (a), (c), (e), (f), (g), and (h) and adding Subsections (i), (j), and (k) to read as follows:

(a) In this subchapter:

(1) "Adjudication" of a claim means the bringing of a civil suit and prosecution to final judgment in county or state court and includes the bringing of an authorized arbitration proceeding and prosecution to final resolution in accordance with any mandatory procedures established in the contract agreement for the arbitration proceedings.

(2) "Contract" means a contract for a development agreement authorized by this subchapter.

(3) "Extraterritorial [extraterritorial] jurisdiction" means a municipality's extraterritorial jurisdiction as determined under Chapter 42.

(c) A contract [An agreement under this subchapter] must:

(1) be in writing;

(2) contain an adequate legal description of the land;

(3) be approved by the governing body of the
municipality and the landowner; and

(4) be recorded in the real property records of each county in which any part of the land that is subject to the contract [agreement] is located.

(e) A municipality in an affected county, as defined by Section 16.341, Water Code, may not enter into a contract [an agreement under this subchapter] that is inconsistent with the model rules adopted under Section 16.343, Water Code.

(f) The contract [agreement] between the governing body of the municipality and the landowner is binding on the municipality and the landowner and on their respective successors and assigns for the term of the contract [agreement]. The contract [agreement] is not binding on, and does not create any encumbrance to title as to, any end-buyer of a fully developed and improved lot within the development, except for land use and development regulations that may apply to a specific lot. Annexation by a municipality of land subject to a contract does not invalidate the enforceability of the contract or infringe on the rights of a party to adjudicate a claim arising under the contract.

(g) A contract:

(1) [An agreement under this subchapter] constitutes a permit under Chapter 245; and

(2) is a program authorized by the legislature under Section 52-a, Article III, Texas Constitution.

(h) A contract [agreement] between a municipality and a landowner entered into prior to the effective date of this section, or any amendment to this section, and that complies with this
section is validated, enforceable, and may be adjudicated subject
to the terms and conditions of this subchapter, as amended.

(i) A municipality that enters into a contract waives
immunity from suit for the purpose of adjudicating a claim for
breach of the contract.

(j) Except as provided by Subsection (k), actual damages,
specific performance, or injunctive relief may be granted in an
adjudication brought against a municipality for breach of a
contract. The total amount of money awarded in an adjudication
brought against a municipality for breach of a contract is limited
to the following:

(1) the balance due and owed by the municipality under
the contract as it may have been amended;

(2) any amount owed by the landowner as a result of the
municipality's failure to perform under the contract, including
compensation for the increased cost of infrastructure as a result
of delays or accelerations caused by the municipality;

(3) reasonable attorney's fees; and

(4) interest as allowed by law, including interest as
calculated under Chapter 2251, Government Code.

(k) Damages awarded in an adjudication brought against a
municipality for breach of a contract may not include:

(1) consequential damages, except as expressly
allowed under Subsection (j)(2); or

(2) exemplary damages.

SECTION 2. Section 212.174, Local Government Code, is
amended to read as follows:
Sec. 212.174. MUNICIPAL UTILITIES. A municipality may not require a contract as a condition for providing water, sewer, electricity, gas, or other utility service from a municipally owned or municipally operated utility that provides any of those services.

SECTION 3. This Act takes effect September 1, 2021.
