A BILL TO BE ENTITLED

AN ACT

relating to the regulation of sports wagering; requiring an
occupational permit; authorizing a fee; imposing a tax; creating
criminal offenses; decriminalizing wagering on sports events.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. LEGISLATIVE FINDINGS. The Legislature finds the
following:

(1) Consistent with a 2018 United States Supreme Court
decision authorizing states to exercise their lawful prerogative to
license and regulate sports wagering activity, it is in this
state's interest to authorize a strict regulatory model for sports
wagering.

(2) A legal, regulated sports wagering market will
help to deter unlawful sports wagering and provide for more
regulatory and law enforcement oversight over sports wagering,
while generating revenue to this state;

(3) Any sports wagering enforcement and regulatory
structure must begin from the bedrock premise that participation in
a lawful and licensed sports-wagering industry is a privilege and
not a right and that strict regulatory oversight is intended to
safeguard the integrity of wagering on sporting events and to
ensure accountability and the public trust;

(4) The most expeditious way to legalize sports
wagering in this state and to strictly regulate this activity is to
utilize the resources of the Texas Department of Licensing and Regulation, which has experience regulating business activities in this state; and

(5) Sports wagering within this state will be vested in sports wagering operators acting under authority of state law and will promote trust and integrity in all sports wagering operations.

SECTION 2. Subtitle A, Title 13, Occupations Code, is amended by adding Chapter 2005 to read as follows:

(h) In the event of termination for any reason other than set forth in Subsection (g)(1), the player shall be provided a timely ability to access and withdraw any funds remaining in the sports wagering account.

or perceived integrity of the sports governing body or its sporting

writing a request to restrict, limit, or exclude a certain type, 

form, or category of sports wagering for that sports governing

body's sporting events. The sports governing body shall provide the

require.
(b) The commission may request comment from sports wagering operators on all requests described by Subsection (a) before granting the request.

(c) After giving due consideration to all comments received under Subsection (b), the commission shall, upon a demonstration of good cause from the requestor that the type, form, or category of sports wagering is likely to undermine the perceived integrity or the integrity of sports governing body or its sporting events, grant the request.

(d) If feasible, the commission must respond to a request under Subsection (a) concerning a particular event before the start of the event. If it is not feasible to respond before the start of the event, the commission must respond no later than seven days after the request is made.

(e) If the commission determines that the requestor under Subsection (a) is more likely than not to prevail in successfully demonstrating good cause for its request, the commission may provisionally grant the request until the commission makes a final determination as to whether the requestor has demonstrated good cause. Absent a provisional grant by the commission, a sports wagering operator may continue to offer sports wagering on sporting events that are the subject of a request under this section during the pendency of the commission's consideration of the request.

may use any data source for determining the result of a tier two
sports wager on a professional sporting event of the league
governed by the sports governing body subject to the limitations of
Subsection (a).

(d) Not later than the sixtieth day after the commission
notifies each sports wagering operator as required by Subsection
(c), a sports wagering operator must use only official league data
to determine the results of tier two sports wagers on professional
sports events of the league governed by the sports governing body,
unless any of the following apply:

(1) the sports governing body or its applicable
designee is unable to provide a feed, on commercially reasonable

any data source for determining the results of tier two sports
wagers until the data feed becomes available on commercial
reasonable terms; or

(2) a sports wagering operator demonstrates to the
commission that the sports governing body has not provided or

The commissioner shall make a determination under Subsections (d) and (e) not later than the 60th day after a sports wagering operator notifies the commission that it desires to demonstrate that a sports governing body has not provided or offered to provide a feed of official league data to the sports
wagering operator on commercially reasonable terms. If the
commision determines that the requestor is more likely than not to
fail in successfully making the demonstration under this
subsection, the commission may provisionally deny the request until
the commission makes a final determination as to whether the
requestor has made the demonstration.

Sec. 2005.209. COMMERCIAL AGREEMENTS. Any sports governing

shall document the corrections when it pays the following month's
taxes.

(c) If the sports wagering operator's adjusted gross
revenue for a month is a negative amount, the sports wagering
operator may carry over the negative amount to a return filed for a
subsequent month and deduct this amount from its tax liability for
the subsequent month, provided that the amount may not be carried
over and deducted against tax liability in any month that is more
than 12 months after the month in which the amount was accrued.

collected by the commission under this chapter that are in excess of
what the department and commission need to implement this chapter
shall be dedicated to providing special education and related
services to eligible students in addition to and as a supplement to
the funding provided under the Texas Education Code, Section

make recommendations for the use of these supplemental fees, and
the commissioner by rule shall determine the use of these
supplemental funds based on the advisory committee's
recommendation.
