24 to education, job skills training, and employment opportunities;

25 (3) financing and reinvestment strategies that
26 account for:

27 (A) the health care costs and housing status of

1 Medicaid recipients;

2 (B) the degree to which accurate and current
3 information on the housing status of Medicaid recipients is
4 available;

5 (C) the health care costs of individuals
6 receiving supportive housing services;

7 (D) the health care costs of Medicaid recipients
8 who receive Medicaid benefits from federal matching funds available
9 under the Patient Protection and Affordable Care Act (Pub. L.
10 No. 111-148), as amended by the Health Care and Education
11 Reconciliation Act of 2010 (Pub. L. No. 111-152), if applicable;

12 (E) the pilot project's potential impact on costs
13 to other entities, such as jails, long-term care facilities, and
14 treatment facilities;

15 (F) affordable housing investments that can be
16 leveraged to create new housing opportunities for pilot project
17 participants; and

18 (G) the amount of flexible service dollars
19 available to cover pilot project costs not covered under Medicaid;
20 and

21 (4) the administration of benefits under the pilot
22 project, including;

23 (A) the role of managed care;

24 (B) the role of supportive housing service
25 providers; and

26 (C) the coordination of the pilot project with
27 existing and emerging health care systems.

1 Sec. 542.004. REPORTS. (a) Not later than June 1, 2022,
2 the commission shall prepare and submit to the governor, lieutenant
3 governor, and speaker of the house of representatives a written
4 report that includes:

5 (1) a summary of the pilot project's progress;

6 (2) an assessment of the impact of providing
7 supportive housing services through Medicaid, including the costs
8 to provide the services, to individuals experiencing chronic
9 homelessness;

10 (3) an update on any waiver or amendment request
11 necessary to modify the state Medicaid plan to provide supportive
12 housing services under the pilot project;

13 (4) a description of the supportive housing services
14 being provided to individuals experiencing chronic homelessness at
15 the time the report is prepared;

16 (5) an analysis of the effectiveness of providing
17 supportive housing services at the level at which those services
18 are provided at the time the report is prepared;

19 (6) estimates of the costs and potential savings of
20 expanding health programs administered by the commission to meet
21 the needs of individuals experiencing chronic homelessness;

22 (7) proposed modification to eligibility criteria for
23 supportive housing services; and

24 (8) any legislative recommendations.

25 (b) Not later than September 1, 2024, the commission shall
26 prepare and submit to the governor, lieutenant governor, and
27 speaker of the house of representatives a final written report on

1 the pilot project that includes:

2 (1) a summary of the results of the pilot project;

3 (2) a statement on the pilot project's success in
4 providing supportive housing services to individuals experiencing
5 chronic homelessness;

6 (3) a recommendation as to whether the pilot project
7 should be continued as a pilot project or permanent program; and

8 (4) any legislative recommendations.

9 Sec. 542.005. CONCLUSION; EXPIRATION. (a) The pilot
10 project established under this chapter concludes September 1, 2023.

11 (b) This chapter expires September 1, 2025.

12 SECTION 2. If before implementing any provision of this Act
13 a state agency determines that a waiver or authorization from a
14 federal agency is necessary for implementation of that provision,
15 the agency affected by the provision shall request the waiver or
16 authorization and may delay implementing that provision until the
17 waiver or authorization is granted.

18 SECTION 3. This Act takes effect September 1, 2021.
