The notice must indicate the form and manner in which the corrective action plan must be submitted to the commission, and clearly state the date by which the
hospital must submit the plan.

(c) A hospital that receives a notice under Subsection (b) must:

(1) submit a corrective action plan in the form and manner, and by the specified date, prescribed by the notice of violation; and

(2) as soon as practicable after submission of a corrective action plan to the commission, act to comply with the plan.
