12 (2) located or operated in another state; or

13 (3) not available for public use.

15 rules necessary to administer, implement, and enforce this chapter.

16 SUBCHAPTER B. REGISTRATION OF UNMANNED TELLER MACHINES; REGISTRY

17 Sec. 282.051. UNMANNED TELLER MACHINE REGISTRY. (a) The
18 department shall establish and maintain on the department's
19 Internet website an online registry of unmanned teller machines
20 required to be registered under this chapter.

21 (b) The department shall update the registry at least
22 quarterly.

23 Sec. 282.052. REGISTRATION OF CERTAIN UNMANNED TELLER
24 MACHINES REQUIRED. Before operating an unmanned teller machine in
25 this state, the operator of the machine must:

26 (1) register the machine; and

27 (2) place a valid registration sticker on the machine.

1 Sec. 282.053. APPLICATION FOR REGISTRATION. (a) To
2 register an unmanned teller machine, the operator of the machine
3 must file an application with the department in accordance with
4 this chapter.

5 (b) An operator may apply to register one or more unmanned
6 teller machines in the same application.

7 (c) The registration application must:

8 (1) be in writing and notarized;

9 (2) be completed by the operator of the machine;

10 (3) include for each unmanned teller machine the
11 operator is applying to register:

12 (A) the name, address, and telephone number of
13 the facility or place of business where the unmanned teller machine
14 will be located;

15 (B) the name, address, and telephone number of
16 the occupant;

17 (C) the name, address, and telephone number of
18 the operator;

19 (D) the unmanned teller machine equipment
20 information, including the quantity, equipment make, equipment
21 model, and machine identification or serial number;

22 (E) a copy of each agreement used or intended to
23 be used by the operator relating to the operation of the unmanned
24 teller machine; and

25 (F) any other relevant information that may be
26 required by the department; and

27 (4) except as provided by Subsection (d), be

1 accompanied by the application fee under Section 282.054.

2 (d) The department may not charge an application fee for the
3 filing of a new application for an unmanned teller machine
4 following a material change in the registration described by
5 Section 282.058(a)(1)(B) or (C).

6 Sec. 282.054. APPLICATION FEE. (a) The finance commission
7 by rule shall impose a fee for filing a registration application
8 under Section 282.053.

9 (b) The application fee must be in an amount:

10 (1) that is at least \$5 but not more than \$25 for each
11 unmanned teller machine being registered;

12 (2) not to exceed a total of \$200, regardless of the
13 number of unmanned teller machines being registered; and

14 (3) sufficient to cover the costs of the department in
15 carrying out the department's duties under this chapter.

16 Sec. 282.055. APPROVAL OR DENIAL OF REGISTRATION;
17 REGISTRATION STICKER. (a) Not later than the 90th day after the
18 date an application for registration is filed under Section
19 282.053, the department shall make a determination regarding
20 whether to approve or deny the application. The department shall
21 approve the application if the application is accurate, complete,
22 and complies with Section 282.053.

23 (b) If the department approves the application, the
24 department shall notify the applicant of the approval and issue the
25 applicant a registration sticker for each unmanned teller machine
26 the applicant is applying to register. If the department
27 determines that the application is incomplete, inaccurate, or does

1 not comply with Section 282.053, the department shall deny the
2 application and notify the applicant of the reasons for denial.

3 (c) An application for registration that is accurate,
4 complete, and complies with Section 282.053 and has not been
5 approved or denied before the 91st day after the date the department
6 receives the application is considered approved for purposes of
7 this chapter. An operator's proof of submission of an application
8 described by this subsection satisfies the requirement of this
9 chapter to display a registration sticker for each unmanned teller
10 machine included in the application until the date on which the
11 operator is issued a registration sticker for the machine.

12 (d) An operator that has submitted an application
13 considered approved under Subsection (c) because of the
14 department's failure to approve or deny the application within the
15 period prescribed by that subsection may install and operate each
16 of the machines listed for registration until the date on which the
17 department denies the application, if ever, or the operator fails
18 to comply with the requirements of Section 282.058.

19 (e) If an application for registration considered approved
20 under Subsection (c) is denied at any time by the department, the
21 operator must uninstall and cease the operation of each unmanned
22 teller machine operating under that approval until the date an
23 application for registration of the unmanned teller machine
24 receives the department's approval, if ever.

25 (f) The department has the sole discretion to determine
26 whether a submitted application is accurate and complete for
27 purposes of this section.

1 Sec. 282.056. FORM AND CONTENTS OF REGISTRATION STICKER.

2 (a) The finance commission by rule shall determine the size,
3 design, display location, and technology used for a registration
4 sticker.

5 (b) The registration sticker, at a minimum, must include:

6 (1) the unmanned teller machine's identification or
7 serial number;

8 (2) the name, address, and telephone number of the
9 facility or place of business where the unmanned teller machine is
10 located;

11 (3) the name, address, and telephone number of the
12 occupant;

13 (4) the name, address, and telephone number of the
14 operator; and

15 (5) the date of issuance of the registration.

16 (c) An operator shall display the registration sticker
17 issued for each unmanned teller machine in the manner prescribed by
18 finance commission rule. The rules of the finance commission must
19 ensure that the registration sticker be displayed in a manner that
20 is plainly visible and readable by the public.

21 Sec. 282.057. REGISTRATION; VALIDITY. The registration of
22 an unmanned teller machine remains valid unless a material change
23 in the information disclosed in the registration of the machine as
24 described by Section 282.058 occurs and the operator of the machine
25 fails to comply with the requirements of that section.

26 Sec. 282.058. RELOCATION OF REGISTERED MACHINE; CHANGE IN
27 OPERATOR OR OCCUPANT. (a) Not later than the 30th day before the

1 scheduled or effective date of the applicable change described by
2 Subdivision (1), the operator of an unmanned teller machine
3 registered under this chapter shall notify the department in
4 writing of:

5 (1) a material change in the information disclosed in
6 the registration of the machine because of:

7 (A) the relocation of the machine to another
8 place of business or facility if a change of ownership has not
9 occurred;

10 (B) a new occupant or operator of the machine; or

11 (C) a new lessee or lessor of the machine; and

12 (2) the scheduled or effective date of the applicable
13 change described by Subdivision (1).

14 (b) Not later than the 60th day after the scheduled or
15 effective date of a material change in the registration of an
16 unmanned teller machine described by Subsection (a)(1), the
17 operator of the machine must:

18 (1) file a new application for registration of the
19 machine under Section 282.053 if the change occurs because of
20 Subsection (a)(1)(B) or (C); or

21 (2) submit a request for written approval of the
22 transfer of the registration under Section 282.059 if the change
23 occurs because of Subsection (a)(1)(A).

24 (c) If the operator required to file a new application or
25 submit a request for transfer approval under Subsection (b) fails
26 to do so within the time prescribed by that subsection, the operator
27 must uninstall and cease operation of the machine, unless the

1 department grants the operator an extension of time.

2 Sec. 282.059. TRANSFER OF REGISTRATION. (a) An unmanned
3 teller machine registration may be transferred following a
4 relocation of the machine described by Section 282.058(a)(1)(A)
5 only with the written approval of the department.

6 (b) The finance commission by rule may prescribe
7 registration transfer procedures and may prescribe forms to be used
8 for issuance of new registration stickers.

9 Sec. 282.060. OPERATION OF MACHINE WITHOUT REGISTRATION
10 STICKER PROHIBITED. (a) Except as otherwise provided by this
11 chapter, an operator of an unmanned teller machine subject to
12 registration violates this chapter if the operator places the
13 machine in operation without a valid registration sticker.

14 (b) Except as otherwise provided by this chapter, an
15 occupant violates this chapter if the occupant permits an unmanned
16 teller machine subject to registration to be placed in the premises
17 of a business establishment or facility owned or operated by the
18 occupant without a valid registration sticker.

19 SUBCHAPTER C. ENFORCEMENT

20 Sec. 282.101. CIVIL PENALTY; INJUNCTIVE RELIEF. (a) A
21 person that violates this chapter or a rule adopted under this
22 chapter is liable to this state for a civil penalty in an amount of
23 not less than \$50 or more than \$500 for each violation. Each day of a
24 continuing violation is a separate violation. The amount of the
25 civil penalty imposed under this subsection may not exceed \$2,000
26 in the aggregate for the violation and all violations of a similar
27 nature.

1 (b) The attorney general may bring an action in the name of
2 this state against a person that violates this chapter or a rule
3 adopted under this chapter for:

4 (1) injunctive relief;

5 (2) recovery of a civil penalty imposed under this
6 section; or

7 (3) both injunctive relief and a civil penalty.

8 (c) An action under this section may be brought in a
9 district court in:

10 (1) Travis County; or

11 (2) a county in which any part of the violation or
12 threatened violation occurs.

13 SECTION 2. (a) Not later than January 1, 2022, the Finance
14 Commission of Texas shall adopt rules to administer and implement
15 Chapter 282, Finance Code, as added by this Act, including rules to
16 establish the unmanned teller machine registry required by Section
17 282.051, Finance Code, as added by this Act.

18 (b) Notwithstanding Chapter 282, Finance Code, as added by
19 this Act, an operator of an unmanned teller machine that is subject
20 to registration under that chapter and that was not in operation on
21 or before the effective date of this Act is not required to file an
22 application to register the unmanned teller machine until January
23 1, 2022.

24 (c) Notwithstanding any other provision of this Act, the
25 operator of an unmanned teller machine that was in operation before
26 the effective date of this Act and is subject to the registration
27 requirements of Chapter 282, Finance Code, as added by this Act,

1 must file an application to register the machine in accordance with
2 that chapter not later than January 1, 2023.

3 SECTION 3. (a) Except as provided by Subsection (b) of this
4 section, this Act takes effect September 1, 2021.

5 (b) Section 282.101, Finance Code, as added by this Act,
6 takes effect January 1, 2023.
