(2) negotiate for and agree to a deed, agreement, or other instrument of conveyance that does not include or includes terms that differ from the terms required by Subsection (c).

(f) Except as provided by this subsection, this section does not prohibit a private entity or the property owner from negotiating for or agreeing to amend, alter, or omit the terms required by Subsection (c) at any time after the private entity first provides a deed, agreement, or other instrument containing the required general terms to the property owner, whether before or at the same time that the entity makes an initial offer to the property owner. A private entity that changes the terms required by Subsection (c) must provide a copy of the amended deed, agreement, or other instrument of conveyance to the property owner not later than the seventh day before the date the private entity files a condemnation petition relating to the property unless the parties agree in writing to waive the notice.

(g) A private entity that changes or amends a deed, agreement, or other instrument has satisfied the requirements of Section 21.0113 if the requirements were previously satisfied as part of the initial offer made in accordance with Section 21.0113(b)(1)(C).

SECTION 8. Section 21.012(c), Property Code, is amended to read as follows:

(c) An entity that files a petition under this section must
concurrently provide a copy of the petition to the property owner by
certified mail, return receipt requested, and first class mail. If
the entity has received written notice that the property owner is
represented by counsel, the entity must also concurrently provide a
copy of the petition to the property owner's attorney by first class
mail, commercial delivery service, fax, or e-mail.

SECTION 9. Section 21.014, Property Code, is amended by
amending Subsection (a) and adding Subsection (d) to read as
follows:

(a) The judge of a court in which a condemnation petition is
filed or to which an eminent domain case is assigned shall, not
later than the 30th calendar day after the petition is filed,
appoint three disinterested real property owners who reside in the
county as special commissioners to assess the damages of the owner
of the property being condemned and appoint two disinterested real
property owners who reside in the county as alternate special
commissioners. The judge appointing the special commissioners
shall give preference to persons agreed on by the parties, if any,
before the court appoints the special commissioners. The judge
shall provide the names and contact information of the special
commissioners and alternate special commissioners to the parties.
Each [each] party shall have until the later of 10 calendar days
after the date of the order appointing the special commissioners or
20 days after the date the petition was filed [a reasonable period]
to strike one of the three special commissioners [appointed by the
judge]. Any strike of a special commissioner must be filed
electronically with electronic service provided concurrently to
any represented party and first class mail service provided concurrently to any other party. If a person fails to serve as a special commissioner or is struck by a party to the suit in accordance with this subsection, an alternate special commissioner shall serve as a replacement for the special commissioner based on the order that the alternate special commissioners are listed in the initial order of appointment. If a party exercises a strike, the other party may, by the later of the third day after the date of filing of the initial strike or the date of the initial strike deadline, strike a special commissioner from the resulting panel, provided the other party has not earlier exercised a strike, the judge shall appoint a replacement.

(d) Each party in an eminent domain proceeding is entitled to a copy of the court's order appointing special commissioners under Subsection (a). The court must promptly provide the signed order to the party initiating the condemnation proceeding and that party must provide a copy of the signed order to the property owner and each other party by certified mail, return receipt requested. If the entity has received written notice that the property owner is represented by counsel, the party initiating the condemnation proceeding must concurrently provide a copy of the signed order to the property owner's attorney by first class mail, commercial delivery service, fax, or e-mail.

SECTION 10. Not later than September 1, 2022, the Texas Real Estate Commission shall adopt rules necessary to implement the changes in law made by this Act to Chapter 1101, Occupations Code.

SECTION 11. Notwithstanding Section 1101.502(a),
Occupations Code, as amended by this Act, and Section 1101.509, Occupations Code, as added by this Act, a person who has submitted an application for the issuance or renewal of a certificate of registration as an easement or right-of-way agent before January 1, 2023, is not subject to the education requirements of those provisions until the first renewal of the certificate after March 1, 2023.

SECTION 12. (a) Except as provided by Subsection (b) of this section, the changes in law made by this Act to Chapter 21, Property Code, apply to the acquisition of real property in connection with an initial offer made under Chapter 21, Property Code, on or after the effective date of this Act. An acquisition of real property in connection with an initial offer made under Chapter 21, Property Code, before the effective date of this Act is governed by the law applicable to the acquisition immediately before the effective date of this Act, and that law is continued in effect for that purpose.

(b) The changes in law made by this Act to Chapter 21, Property Code, do not apply to an electric transmission project for which the Public Utility Commission of Texas has issued a final and appealable order that amends a certificate of convenience and necessity before the effective date of this Act.

SECTION 13. This Act takes effect January 1, 2022.
