

R E S O L U T I O N

1 WHEREAS, El Paso Community College has been named one of the
2 top 15 colleges in the nation offering an associate's degree in
3 chemistry; and

4 WHEREAS, College Cliffs, an online resource for information
5 about colleges, ranked chemistry programs across the country
6 according to several measures, including academic rigor, quality of
7 instruction, accreditation, availability of financial aid, and
8 overall value; and

9 WHEREAS, The website awarded El Paso Community College's
10 chemistry program high marks for its quality, affordability, and
11 small class sizes, as well as for the many opportunities available
12 to EPCC students after completing their degree; students who earn
13 an associate's degree in chemistry are able to acquire technician
14 positions in the health, business, and industrial sectors, and
15 their coursework also prepares them to transfer to a four-year
16 institution and to potentially further their education with
17 bachelor's, master's, and doctoral degrees; and

18 WHEREAS, The chemistry program at El Paso Community College
19 has helped to provide a path to success for countless students, and
20 its recognition is indeed well deserved; now, therefore, be it

21 RESOLVED, That the House of Representatives of the 87th Texas
22 Legislature hereby congratulate El Paso Community College on being
23 selected as one of the top 15 colleges in the nation offering an
24 associate's degree in chemistry and extend sincere best wishes to

H.R. No. 753

1 EPCC's faculty and students; and, be it further

2 RESOLVED, That an official copy of this resolution be
3 prepared for El Paso Community College as an expression of high
4 regard by the Texas House of Representatives.
