S.B. No. 431

A BILL TO BE ENTITLED

1 AN ACT
2 relating to claims processes and reimbursement for, and overpayment
3 recoupment processes imposed on, health care providers under
4 Medicaid.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. Section 531.1135(c), Government Code, is amended
7 to read as follows:

8 (c) Notwithstanding any other law, a managed care
9 organization may not attempt to recover an overpayment described by
10 Subsection (a) until:

11 (1) the provider has exhausted all rights to an
12 appeal; and

13 (2) if the underlying claim is subject to recoupment
14 by the commission's office of the inspector general, a final
15 determination by the State Office of Administrative Hearings
16 affirming the overpayment.

17 SECTION 2. Section 531.024172(d), Government Code, is
18 amended to read as follows:

19 (d) In implementing the electronic visit verification
20 system:

21 (1) subject to Subsection (e), the executive
22 commissioner shall adopt compliance standards for health care
23 providers; and

24 (2) the commission shall ensure that:

1 (A) the information required to be reported by
2 health care providers is standardized across managed care
3 organizations that contract with the commission to provide health
4 care services to Medicaid recipients and across commission
5 programs;

6 (B) processes required by managed care
7 organizations to retrospectively correct data are standardized and
8 publicly accessible to health care providers; ~~and~~

9 (C) standardized processes are established for
10 addressing the failure of a managed care organization to provide a
11 timely authorization for delivering services necessary to ensure
12 continuity of care; and

13 (D) a health care provider is allowed to:

14 (i) enter a variable schedule into the
15 electronic visit verification system; and

16 (ii) submit a claim to be reimbursed for an
17 amount of time that is less than the verified amount of time.

18 SECTION 3. Section 533.005(a), Government Code, is amended
19 to read as follows:

20 (a) A contract between a managed care organization and the
21 commission for the organization to provide health care services to
22 recipients must contain:

23 (1) procedures to ensure accountability to the state
24 for the provision of health care services, including procedures for
25 financial reporting, quality assurance, utilization review, and
26 assurance of contract and subcontract compliance;

27 (2) capitation rates that ensure the cost-effective

1 provision of quality health care;

2 (3) a requirement that the managed care organization
3 provide ready access to a person who assists recipients in
4 resolving issues relating to enrollment, plan administration,
5 education and training, access to services, and grievance
6 procedures;

7 (4) a requirement that the managed care organization
8 provide ready access to a person who assists providers in resolving
9 issues relating to payment, plan administration, education and
10 training, and grievance procedures;

11 (5) a requirement that the managed care organization
12 provide information and referral about the availability of
13 educational, social, and other community services that could
14 benefit a recipient;

15 (6) procedures for recipient outreach and education;

16 (7) a requirement that the managed care organization
17 make payment to a physician or provider for health care services
18 rendered to a recipient under a managed care plan on any claim for
19 payment that is received with documentation reasonably necessary
20 for the managed care organization to process the claim:

21 (A) not later than:

22 (i) the 10th day after the date the claim is
23 received if the claim relates to services provided by a nursing
24 facility, intermediate care facility, or group home;

25 (ii) the 30th day after the date the claim
26 is received if the claim relates to the provision of long-term
27 services and supports not subject to Subparagraph (i); and

1 (iii) the 45th day after the date the claim
2 is received if the claim is not subject to Subparagraph (i) or (ii);
3 or

4 (B) within a period, not to exceed 180 [~~60~~] days,
5 specified by a written agreement between the physician or provider
6 and the managed care organization;

7 (7-a) a requirement that the managed care organization
8 demonstrate to the commission that the organization pays claims
9 described by Subdivision (7)(A)(ii) on average not later than the
10 21st day after the date the claim is received by the organization;

11 (8) a requirement that the commission, on the date of a
12 recipient's enrollment in a managed care plan issued by the managed
13 care organization, inform the organization of the recipient's
14 Medicaid certification date;

15 (9) a requirement that the managed care organization
16 comply with Section [533.006](#) as a condition of contract retention
17 and renewal;

18 (10) a requirement that the managed care organization
19 provide the information required by Section [533.012](#) and otherwise
20 comply and cooperate with the commission's office of inspector
21 general and the office of the attorney general;

22 (11) a requirement that the managed care
23 organization's usages of out-of-network providers or groups of
24 out-of-network providers may not exceed limits for those usages
25 relating to total inpatient admissions, total outpatient services,
26 and emergency room admissions determined by the commission;

27 (12) if the commission finds that a managed care

1 organization has violated Subdivision (11), a requirement that the
2 managed care organization reimburse an out-of-network provider for
3 health care services at a rate that is equal to the allowable rate
4 for those services, as determined under Sections 32.028 and
5 32.0281, Human Resources Code;

6 (13) a requirement that, notwithstanding any other
7 law, including Sections 843.312 and 1301.052, Insurance Code, the
8 organization:

9 (A) use advanced practice registered nurses and
10 physician assistants in addition to physicians as primary care
11 providers to increase the availability of primary care providers in
12 the organization's provider network; and

13 (B) treat advanced practice registered nurses
14 and physician assistants in the same manner as primary care
15 physicians with regard to:

16 (i) selection and assignment as primary
17 care providers;

18 (ii) inclusion as primary care providers in
19 the organization's provider network; and

20 (iii) inclusion as primary care providers
21 in any provider network directory maintained by the organization;

22 (14) a requirement that the managed care organization
23 reimburse a federally qualified health center or rural health
24 clinic for health care services provided to a recipient outside of
25 regular business hours, including on a weekend day or holiday, at a
26 rate that is equal to the allowable rate for those services as
27 determined under Section 32.028, Human Resources Code, if the

1 recipient does not have a referral from the recipient's primary
2 care physician;

3 (15) a requirement that the managed care organization
4 develop, implement, and maintain a system for tracking and
5 resolving all provider appeals related to claims payment, including
6 a process that will require:

7 (A) a tracking mechanism to document the status
8 and final disposition of each provider's claims payment appeal;

9 (B) the contracting with physicians who are not
10 network providers and who are of the same or related specialty as
11 the appealing physician to resolve claims disputes related to
12 denial on the basis of medical necessity that remain unresolved
13 subsequent to a provider appeal;

14 (C) the determination of the physician resolving
15 the dispute to be binding on the managed care organization and
16 provider; and

17 (D) the managed care organization to allow a
18 provider with a claim that has not been paid before the time
19 prescribed by Subdivision (7)(A)(ii) to initiate an appeal of that
20 claim;

21 (16) a requirement that a medical director who is
22 authorized to make medical necessity determinations is available to
23 the region where the managed care organization provides health care
24 services;

25 (17) a requirement that the managed care organization
26 ensure that a medical director and patient care coordinators and
27 provider and recipient support services personnel are located in

1 the South Texas service region, if the managed care organization
2 provides a managed care plan in that region;

3 (18) a requirement that the managed care organization
4 provide special programs and materials for recipients with limited
5 English proficiency or low literacy skills;

6 (19) a requirement that the managed care organization
7 develop and establish a process for responding to provider appeals
8 in the region where the organization provides health care services;

9 (20) a requirement that the managed care organization:

10 (A) develop and submit to the commission, before
11 the organization begins to provide health care services to
12 recipients, a comprehensive plan that describes how the
13 organization's provider network complies with the provider access
14 standards established under Section 533.0061;

15 (B) as a condition of contract retention and
16 renewal:

17 (i) continue to comply with the provider
18 access standards established under Section 533.0061; and

19 (ii) make substantial efforts, as
20 determined by the commission, to mitigate or remedy any
21 noncompliance with the provider access standards established under
22 Section 533.0061;

23 (C) pay liquidated damages for each failure, as
24 determined by the commission, to comply with the provider access
25 standards established under Section 533.0061 in amounts that are
26 reasonably related to the noncompliance; and

27 (D) regularly, as determined by the commission,

1 submit to the commission and make available to the public a report
2 containing data on the sufficiency of the organization's provider
3 network with regard to providing the care and services described
4 under Section 533.0061(a) and specific data with respect to access
5 to primary care, specialty care, long-term services and supports,
6 nursing services, and therapy services on the average length of
7 time between:

8 (i) the date a provider requests prior
9 authorization for the care or service and the date the organization
10 approves or denies the request; and

11 (ii) the date the organization approves a
12 request for prior authorization for the care or service and the date
13 the care or service is initiated;

14 (21) a requirement that the managed care organization
15 demonstrate to the commission, before the organization begins to
16 provide health care services to recipients, that, subject to the
17 provider access standards established under Section 533.0061:

18 (A) the organization's provider network has the
19 capacity to serve the number of recipients expected to enroll in a
20 managed care plan offered by the organization;

21 (B) the organization's provider network
22 includes:

23 (i) a sufficient number of primary care
24 providers;

25 (ii) a sufficient variety of provider
26 types;

27 (iii) a sufficient number of providers of

1 long-term services and supports and specialty pediatric care
2 providers of home and community-based services; and

3 (iv) providers located throughout the
4 region where the organization will provide health care services;
5 and

6 (C) health care services will be accessible to
7 recipients through the organization's provider network to a
8 comparable extent that health care services would be available to
9 recipients under a fee-for-service or primary care case management
10 model of Medicaid managed care;

11 (22) a requirement that the managed care organization
12 develop a monitoring program for measuring the quality of the
13 health care services provided by the organization's provider
14 network that:

15 (A) incorporates the National Committee for
16 Quality Assurance's Healthcare Effectiveness Data and Information
17 Set (HEDIS) measures or, as applicable, the national core
18 indicators adult consumer survey and the national core indicators
19 child family survey for individuals with an intellectual or
20 developmental disability;

21 (B) focuses on measuring outcomes; and

22 (C) includes the collection and analysis of
23 clinical data relating to prenatal care, preventive care, mental
24 health care, and the treatment of acute and chronic health
25 conditions and substance abuse;

26 (23) subject to Subsection (a-1), a requirement that
27 the managed care organization develop, implement, and maintain an

1 outpatient pharmacy benefit plan for its enrolled recipients:

2 (A) that, except as provided by Paragraph
3 (L)(ii), exclusively employs the vendor drug program formulary and
4 preserves the state's ability to reduce waste, fraud, and abuse
5 under Medicaid;

6 (B) that adheres to the applicable preferred drug
7 list adopted by the commission under Section 531.072;

8 (C) that, except as provided by Paragraph (L)(i),
9 includes the prior authorization procedures and requirements
10 prescribed by or implemented under Sections 531.073(b), (c), and
11 (g) for the vendor drug program;

12 (C-1) that does not require a clinical,
13 nonpreferred, or other prior authorization for any antiretroviral
14 drug, as defined by Section 531.073, or a step therapy or other
15 protocol, that could restrict or delay the dispensing of the drug
16 except to minimize fraud, waste, or abuse;

17 (D) for purposes of which the managed care
18 organization:

19 (i) may not negotiate or collect rebates
20 associated with pharmacy products on the vendor drug program
21 formulary; and

22 (ii) may not receive drug rebate or pricing
23 information that is confidential under Section 531.071;

24 (E) that complies with the prohibition under
25 Section 531.089;

26 (F) under which the managed care organization may
27 not prohibit, limit, or interfere with a recipient's selection of a

1 pharmacy or pharmacist of the recipient's choice for the provision
2 of pharmaceutical services under the plan through the imposition of
3 different copayments;

4 (G) that allows the managed care organization or
5 any subcontracted pharmacy benefit manager to contract with a
6 pharmacist or pharmacy providers separately for specialty pharmacy
7 services, except that:

8 (i) the managed care organization and
9 pharmacy benefit manager are prohibited from allowing exclusive
10 contracts with a specialty pharmacy owned wholly or partly by the
11 pharmacy benefit manager responsible for the administration of the
12 pharmacy benefit program; and

13 (ii) the managed care organization and
14 pharmacy benefit manager must adopt policies and procedures for
15 reclassifying prescription drugs from retail to specialty drugs,
16 and those policies and procedures must be consistent with rules
17 adopted by the executive commissioner and include notice to network
18 pharmacy providers from the managed care organization;

19 (H) under which the managed care organization may
20 not prevent a pharmacy or pharmacist from participating as a
21 provider if the pharmacy or pharmacist agrees to comply with the
22 financial terms and conditions of the contract as well as other
23 reasonable administrative and professional terms and conditions of
24 the contract;

25 (I) under which the managed care organization may
26 include mail-order pharmacies in its networks, but may not require
27 enrolled recipients to use those pharmacies, and may not charge an

1 enrolled recipient who opts to use this service a fee, including
2 postage and handling fees;

3 (J) under which the managed care organization or
4 pharmacy benefit manager, as applicable, must pay claims in
5 accordance with Section 843.339, Insurance Code;

6 (K) under which the managed care organization or
7 pharmacy benefit manager, as applicable:

8 (i) to place a drug on a maximum allowable
9 cost list, must ensure that:

10 (a) the drug is listed as "A" or "B"
11 rated in the most recent version of the United States Food and Drug
12 Administration's Approved Drug Products with Therapeutic
13 Equivalence Evaluations, also known as the Orange Book, has an "NR"
14 or "NA" rating or a similar rating by a nationally recognized
15 reference; and

16 (b) the drug is generally available
17 for purchase by pharmacies in the state from national or regional
18 wholesalers and is not obsolete;

19 (ii) must provide to a network pharmacy
20 provider, at the time a contract is entered into or renewed with the
21 network pharmacy provider, the sources used to determine the
22 maximum allowable cost pricing for the maximum allowable cost list
23 specific to that provider;

24 (iii) must review and update maximum
25 allowable cost price information at least once every seven days to
26 reflect any modification of maximum allowable cost pricing;

27 (iv) must, in formulating the maximum

1 allowable cost price for a drug, use only the price of the drug and
2 drugs listed as therapeutically equivalent in the most recent
3 version of the United States Food and Drug Administration's
4 Approved Drug Products with Therapeutic Equivalence Evaluations,
5 also known as the Orange Book;

6 (v) must establish a process for
7 eliminating products from the maximum allowable cost list or
8 modifying maximum allowable cost prices in a timely manner to
9 remain consistent with pricing changes and product availability in
10 the marketplace;

11 (vi) must:

12 (a) provide a procedure under which a
13 network pharmacy provider may challenge a listed maximum allowable
14 cost price for a drug;

15 (b) respond to a challenge not later
16 than the 15th day after the date the challenge is made;

17 (c) if the challenge is successful,
18 make an adjustment in the drug price effective on the date the
19 challenge is resolved and make the adjustment applicable to all
20 similarly situated network pharmacy providers, as determined by the
21 managed care organization or pharmacy benefit manager, as
22 appropriate;

23 (d) if the challenge is denied,
24 provide the reason for the denial; and

25 (e) report to the commission every 90
26 days the total number of challenges that were made and denied in the
27 preceding 90-day period for each maximum allowable cost list drug

1 for which a challenge was denied during the period;

2 (vii) must notify the commission not later
3 than the 21st day after implementing a practice of using a maximum
4 allowable cost list for drugs dispensed at retail but not by mail;
5 and

6 (viii) must provide a process for each of
7 its network pharmacy providers to readily access the maximum
8 allowable cost list specific to that provider; and

9 (L) under which the managed care organization or
10 pharmacy benefit manager, as applicable:

11 (i) may not require a prior authorization,
12 other than a clinical prior authorization or a prior authorization
13 imposed by the commission to minimize the opportunity for waste,
14 fraud, or abuse, for or impose any other barriers to a drug that is
15 prescribed to a child enrolled in the STAR Kids managed care program
16 for a particular disease or treatment and that is on the vendor drug
17 program formulary or require additional prior authorization for a
18 drug included in the preferred drug list adopted under Section
19 [531.072](#);

20 (ii) must provide for continued access to a
21 drug prescribed to a child enrolled in the STAR Kids managed care
22 program, regardless of whether the drug is on the vendor drug
23 program formulary or, if applicable on or after August 31, 2023, the
24 managed care organization's formulary;

25 (iii) may not use a protocol that requires a
26 child enrolled in the STAR Kids managed care program to use a
27 prescription drug or sequence of prescription drugs other than the

1 drug that the child's physician recommends for the child's
2 treatment before the managed care organization provides coverage
3 for the recommended drug; and

4 (iv) must pay liquidated damages to the
5 commission for each failure, as determined by the commission, to
6 comply with this paragraph in an amount that is a reasonable
7 forecast of the damages caused by the noncompliance;

8 (24) a requirement that the managed care organization
9 and any entity with which the managed care organization contracts
10 for the performance of services under a managed care plan disclose,
11 at no cost, to the commission and, on request, the office of the
12 attorney general all discounts, incentives, rebates, fees, free
13 goods, bundling arrangements, and other agreements affecting the
14 net cost of goods or services provided under the plan;

15 (25) a requirement that the managed care organization
16 not implement significant, nonnegotiated, across-the-board
17 provider reimbursement rate reductions unless:

18 (A) subject to Subsection (a-3), the
19 organization has the prior approval of the commission to make the
20 reductions; or

21 (B) the rate reductions are based on changes to
22 the Medicaid fee schedule or cost containment initiatives
23 implemented by the commission; and

24 (26) a requirement that the managed care organization
25 make initial and subsequent primary care provider assignments and
26 changes.

27 SECTION 4. (a) Section [533.005\(a\)](#), Government Code, as

1 amended by this Act, applies only to a contract between the Health
2 and Human Services Commission and a managed care organization that
3 is entered into or renewed on or after the effective date of this
4 Act.

5 (b) To the extent permitted by the terms of the contract,
6 the Health and Human Services Commission shall seek to amend a
7 contract entered into before the effective date of this Act with a
8 managed care organization to comply with Section 533.005(a),
9 Government Code, as amended by this Act.

10 SECTION 5. If before implementing any provision of this Act
11 a state agency determines that a waiver or authorization from a
12 federal agency is necessary for implementation of that provision,
13 the agency affected by the provision shall request the waiver or
14 authorization and may delay implementing that provision until the
15 waiver or authorization is granted.

16 SECTION 6. This Act takes effect September 1, 2021.
