

AN ACT

relating to authorizing the sale of certain real property by the State of Texas to the Port of Corpus Christi Authority of Nueces County, Texas.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. (a) The real property described by Section 2 of this Act was originally submerged land purchased by the Port of Corpus Christi from the State of Texas in 1956 under former Article 8225, Revised Statutes. Following the conveyance, the submerged land was artificially filled and subsequently leased to a third party for non-navigation-related purposes. Following litigation between the port and the State of Texas, the parties entered into a settlement agreement pursuant to which the real property was conveyed back to the state. The port now wishes to use the real property for navigation-related purposes.

(b) Subject to Subsections (c), (d), and (e) of this section, the State of Texas shall convey the real property described by Section 2 of this Act to the Port of Corpus Christi Authority of Nueces County, Texas, to be used by the port only for purposes reasonably related to the promotion of navigation as defined by Section 61.116(b), Water Code.

(c) The real property described by Section 2 of this Act may not be conveyed by the State of Texas to the Port of Corpus Christi Authority of Nueces County, Texas, for an amount less than the fair

1 market value of the real property. The fair market value of the  
2 real property must be established by an independent appraisal  
3 obtained by the asset management division of the General Land  
4 Office.

5 (d) The proceeds from the sale of real property authorized  
6 by this Act must be paid to the State of Texas for the benefit of the  
7 permanent school fund. The state shall reserve for the benefit of  
8 the permanent school fund the state's interest in all oil, gas, and  
9 other minerals in and under the real property described by Section 2  
10 of this Act.

11 (e) The conveyance of the real property described by Section  
12 2 of this Act shall be made subject to all valid covenants,  
13 conditions, reservations, restrictions, rights-of-way, easements,  
14 and leases, if any, that are recorded or apparent by visual  
15 inspection.

16 (f) The port may not:

17 (1) lease the real property described by Section 2 of  
18 this Act for a use that is not reasonably related to the promotion  
19 of navigation as defined by Section [61.116\(b\)](#), Water Code; or

20 (2) dispose of the real property except to sell the  
21 real property to the State of Texas or exchange the real property  
22 with the State of Texas in accordance with Section [61.117\(f\)](#), Water  
23 Code.

24 (g) Sections [31.1571](#), [31.158](#), and [31.159](#), Natural Resources  
25 Code, do not apply to the sale of real property authorized by this  
26 Act.
