8 (4) screening for:

9 (A) family violence, abuse, and neglect

11 (B) coercion of abortion; and

13 (d) A care agent who obtains information that the pregnant  
14 woman is a victim of human trafficking or coercion of abortion may:

15 (1) submit a report to the appropriate law enforcement  
16 agency of the suspected human trafficking or coercion of abortion,  
17 if, before submitting the report, the care agent:

18 (A) provides a written disclosure to the pregnant  
19 woman that the woman's identifying information will be provided in

22 described by Paragraph (A), the pregnant woman consents to the care  
23 agent submitting the report; or

8 number for the pregnant woman;

9 (2) allow a physician who is to perform or induce an  
10 abortion to verify the unique identifying number;

11 (3) ensure that the identity of an individual pregnant  
12 woman, care agent, or physician who is to perform or induce the  
13 abortion is not disclosed in the authentication system; and

14 (4) remove any personal information for the pregnant  
15 woman, care agent, or physician as soon as the information is not  
16 needed to verify the unique identifying number.

17 (g) The commission shall establish a single toll-free  
18 telephone number through which a woman seeking an abortion in this  
19 state may receive a resource access assistance offer on a 24-hour  
20 basis. The commission must ensure the placed call automatically  
21 routes the woman to a care agent at a contracting agency to provide  
22 the resource access assistance offer.

23 (h) The pregnant woman:

24 (1) is not required to:

25 (A) provide any information to the care agent or  
26 contracting agency; or

27 (B) initiate or complete services offered under

1 this section to obtain an abortion;

2 (2) may decline services under this section at any  
3 time; and

4 (3) if accepting a resource assistance offer, shall  
5 retain access to the offer until the second anniversary of the date  
6 of acceptance, regardless of the woman's pregnancy.

7 SECTION 2. Section 171.0121, Health and Safety Code, is  
8 amended to read as follows:

9 Sec. 171.0121. MEDICAL RECORD. (a) Before the abortion  
10 begins, a copy of the signed, written certification received by the  
11 physician under Section 171.012(a)(6) and documentation of the  
12 receipt of the resource access assistance offer required under  
13 Section 171.01205 must be placed in the pregnant woman's medical  
14 records.

15 (b) A copy of the signed, written certification required  
16 under Sections 171.012(a)(5) and (6) and documentation of the  
17 receipt of the resource access assistance offer required under  
18 Section 171.01205 shall be retained by the facility where the  
19 abortion is performed until:

20 (1) the seventh anniversary of the date it is signed;

21 or

22 (2) if the pregnant woman is a minor, the later of:

23 (A) the seventh anniversary of the date it is  
24 signed; or

25 (B) the woman's 21st birthday.

26 SECTION 3. (a) Notwithstanding Section 171.01205, Health  
27 and Safety Code, as added by this Act, and Section 171.0121, Health

1 and Safety Code, as amended by this Act, a physician is not required  
2 to comply with the changes in law made by this Act before April 1,  
3 2023.

4 (b) Not later than August 31, 2022, the executive  
5 commissioner of the Health and Human Services Commission shall  
6 adopt rules as necessary to implement this Act.

7 (c) Not later than April 1, 2023, the Health and Human  
8 Services Commission shall contract with one or more contracting  
9 agencies that employ care agents throughout this state to provide  
10 the pre-abortion resource access assistance offer and assistance in  
11 obtaining support services described by Section 171.01205, Health  
12 and Safety Code, as added by this Act.

13 SECTION 4. The changes in law made by this Act apply only to  
14 an abortion performed or induced on or after April 1, 2023. An  
15 abortion performed or induced before April 1, 2023, is governed by  
16 the law applicable to the abortion immediately before the effective  
17 date of this Act, and that law is continued in effect for that  
18 purpose.

19 SECTION 5. It is the intent of the legislature that every  
20 provision, section, subsection, sentence, clause, phrase, or word  
21 in this Act, and every application of the provisions in this Act to  
22 each person or entity, are severable from each other. If any  
23 application of any provision in this Act to any person, group of  
24 persons, or circumstances is found by a court to be invalid for any  
25 reason, the remaining applications of that provision to all other  
26 persons and circumstances shall be severed and may not be affected.

27 SECTION 6. The Health and Human Services Commission is

1 required to implement this Act only if the legislature appropriates  
2 money specifically for that purpose. If the legislature does not  
3 appropriate money specifically for that purpose, the commission  
4 may, but is not required to, implement the Act using other  
5 appropriations available for the purpose.

6 SECTION 7. This Act takes effect September 1, 2021.
