institution of higher education, medical and dental unit, career
school, or accredited out-of-state institution of higher education
or all or a portion of the beneficiary's apprenticeship program
expenses by entering into a prepaid tuition contract with the board
to purchase one or more tuition units of a type described by this
section at the applicable price established by the board for that
type of unit for the year in which the unit is purchased. The
portion of the beneficiary's undergraduate tuition and required
fees for which a tuition unit may be redeemed at a particular
general academic teaching institution or two-year institution of
higher education is assigned to the tuition unit at the time of
purchase, and the tuition unit may be redeemed to pay that portion
of the tuition and fees at the general academic teaching
institution or two-year institution of higher education in any
academic year in which the unit is redeemed in accordance with this
subchapter. The purchaser may purchase one type of unit or a

the costs of the beneficiary's tuition and required fees at the
general academic teaching institution, two-year institution of
higher education, private or independent institution of higher

institution, [or program] described by this section. A
general academic teaching institution or two-year institution of
higher education shall accept the amount transferred to the

beneficiary's tuition and required fees at the general academic
teaching institution, two-year institution of higher education,
private or independent institution of higher education, medical and
dental unit, career school, or accredited out-of-state institution
of higher education at which the beneficiary enrolls or

total cost of the beneficiary's tuition and required fees at the
institution or unit or the beneficiary's apprenticeship program
expenses.

(e) If the beneficiary redeems fewer tuition units to pay the cost of tuition and required fees or apprenticeship program expenses than the number of units purchased on behalf of the beneficiary under a prepaid tuition contract, other than to defer redemption as permitted in accordance with Section 54.758, the purchaser may:

(1) redeem for cash the amount of the purchase price of the excess units, plus annual interest earned on that money, accrued at a rate set by the board not to exceed five percent annually; or

(2) transfer the remaining units to another beneficiary in accordance with this subchapter.

SECTION 7. Section 54.758(a), Education Code, is amended to read as follows:

SECTION 8. Section 54.765(f), Education Code, is amended to read as follows:
When a beneficiary enrolls at a private or independent institution of higher education, medical and dental unit, career school, accredited out-of-state institution of higher education, or registered apprenticeship program, on written authorization from the purchaser of the tuition unit or units for that beneficiary, the comptroller or the comptroller's authorized representative shall transfer to the institution the lesser of:

(1) an amount equal to the current cost of the tuition and required fees or apprenticeship program expenses that would be covered by redemption of the number and type of tuition units the beneficiary is redeeming if the beneficiary were redeeming the unit or units at a general academic teaching institution or two-year institution of higher education as follows:

(A) for a Type I unit, at the general academic teaching institution that had the highest tuition and required fee cost;

(B) for a Type II unit, at a general academic teaching institution that had tuition and required fee cost at the weighted average; and
